PRESIDENT'S REPORT

Sundays at Bilgola really does represent what our beach is all about – IRB and Bronze training starts at 7am, Surfboats are usually out by 8am, Patrol starts setting up at 8.30am and Nippers starts at 9am. If you want to know what a Surf Club is like – just rock up to Bilgola on a Sunday morning. It may sound chaotic but it works. The colour from all the different high-vis rashies, the noise and activity is thrilling to watch and especially to be involved.

This is my fifth year as President and I find every season different, from the rescues, surf conditions, competition, celebrations and farewells. We celebrated the wonderful service of Bruce Robertson, Australia's oldest lifesaver and saw the retiring Tony White after 40 years of surf lifesaving. We also sadly farewelled Tony "Rollo" Bland, Richard "Mr Bean" Crayfouard and Peter O'Gready. We had a good season when it came to lifesaving, with over 7,000 lifesaving volunteer hours with no major incidents, great beach conditions and a very active club. When I meet beach goers who say "Bilgola is our favourite beach" I hope that is in part due to our many volunteers whose service ensures the community can enjoy a fun and safe day at the beach.

The Senior Committee have been focusing on maintaining membership and financial sustainability. We have been successful with both. Membership in both junior activities and social membership has been growing and patrolling membership has held. In addition, due to good financial management, even with a reduction in sponsorship revenue, our profit for the year is due to be higher than 2016/17.

With regard to what we are here for – lifesaving, I cannot speak highly enough about our Patrols and Patrol Captains, captured by two emails we received during the season. The first from Glen Tolan, Sydney Northern Beaches SLS, Director of Lifesaving "I was Duty Officer on Sunday and visited Bilgola in the morning, just after nippers finished. I met Richard (Hardwick) the Patrol Captain (Patrol 13) and was very impressed by the standard of the beach set up (equipment) and branding of the patrol - everyone in full uniform, so I wanted to write to you and let you know. It is always a proud and rewarding moment to see a patrol like that". This was followed by an email from Doug Menzies, Branch President, Sydney Northern Beaches SLS "I just wanted to drop you a short note of congratulations for your Afternoon Patrol (Steve Faddy, Patrol 10). I went to Bilgola Pool to do a little hydro therapy for my knees. It was so pleasing to see 2 of your patrolling members undertake a Roving Patrol south of the Patrol area making their way to the pool, spending some time there observing and interacting with the public. It was also so refreshingly pleasing to also note that they were in 'full uniform'. My congratulations and a well done to your members who displayed such a professional image of our volunteer surf life savers. Yours in surf lifesaving, Doug Menzies."

Bilgola has 12 Patrols who cover 142 patrols, each patrol averaging 12-13 patrols a season or around 50-60 hours volunteering. This is in addition to some competing, volunteering for water safety, undergoing training, and proficiency and in many cases some are also Committee members and Nipper Age Managers. Their commitment and dedication is inspiring.

One of the interesting things about Bilgola is that many of our Patrols are made up of 3-4 families, in a number of cases their kids have come through Nippers and SRC, joined a Patrol and their parents then undertook their Bronze.

Over the past few seasons we have been focussing on increasing the number of women who have their Silver Beach Management certificate. This is required if you want to be a Patrol Captain, Vice Patrol Captain or Acting Patrol Captain. I am pleased to say the number of women who act in these roles is increasing with now 11 with this certificate, a third of our members with this award.

Our training has once again been overseen by Pete Fenley with support by Trainers this year Isabelle Schmidt, Craig Poppleton, Kaz Marks, Rowan Jacobs (SRCs), Rob Farr and Richard Hardwick and in the IRBs; Nigel Penn, Bill Hawkins, David Madew and Marc Bernard.

Our Cadet program continue to get stronger and develop. Watching our Cadets grow from Nippers undertake with their SRC and Bronze and the hours they contribute to patrolling and water safety is inspiring. They amaze me with their maturity, especially when being involved in difficult rescues. Rob Chant (Cadet Manager), Isabelle Schmidt, Josh Axford, Rob Farr and Rowan Jacobs have all spent many hours supporting our many Cadets. They should be proud of the level of involvement and participation we saw. We had a number of our younger life savers also selected to represent Bilgola at Surf Life Saving academies including Elliott Prasad (JLOTY male winner for 2017) and Lucille Moore attend the Youth Opportunity Makers (YOM) program run by Surf Life Saving NSW.

Our Nippers program this year was fantastic, the Junior Committee can be proud of the engagement by both the kids and parents. Watching this younger generation learning about surf safety, surf conditions, lifesaving and

competition is not only fun but a privilege. Their enthusiasm is contagious.

Our IRB area continues to grow thanks to Piet Poelmann (IRB Captain), Bill Hawkins and David Madew. We have 25 drivers and over 35 crew. Training happens all year especially now we have a number of crews competing in IRB racing. It is also wonderful to see the increasing number of females involved from teenagers to mums.

Thanks to Marcus and Caroline Blackmore, Blackmore Foundation, we launched the Westpac Little Ripper Lifesaver drone at the Blackmores Billy Ocean Swim in December and the "Bruce Robertson" IRB Thundercat Gen3 at his farewell celebration in April. Over many weekends the Little Ripper could be seen flying over the beach as pilots trained at the southern end of the beach. This illustrates how lifesaving is moving with technology, supporting our lifesaving efforts.

The Blackmores Billy Ocean Swim was held in December with clear skies and a great support from our local politicians including Jason Falinski Federal MP, Rob Stokes State MLA (who swam the 1,500m), Mayor Michael Regan, Northern Beaches Council and Kylie Ferguson, Northern Beaches Councillor where we set the competitors off for their 800m and/or 1500m ocean swim. Our winners came from the ranks of experienced and well trained ocean swimmers who featured strongly in last year's event, together with some new faces in the younger ranks. Our swimmers ranged in age from 13 right up to 77 years old. Our numbers were close to our entrants last year at almost 300 swimmers across both events. Thanks to Ray Trevisan, our Swim Coordinator, who pulled this wonderful event together, spending many hours to ensure its success.

The Annual Boat Carnival, was held in November. this is the greater Sydney region's first surfboat competition event of the season. The Billy carnival is a popular event on the competition calendar, recognised as one of best run events for both officials and competitors. It offers a relaxed and fun introduction to crews keen to get back into the surf after the winter hiatus. Over 60 crews raced across all divisions.

I'd like to highlight and thank our senior committee, who work tirelessly to ensure our club runs smoothly, with a number acknowledged at the Presentation evening as they have gone

above and beyond with their commitment to the Club. Four of our Committee members were also in the top ten patrollers list including David Madew, Pete Fenley, Nigel Penn and myself. We say farewell to the following committee members; Claire Cupitt (Secretary), Rob Chant (Cadet Manager) and Mark Fitzgerald (Boat Captain). We also had a number of members support the committee including James Campbell (Training), Alex Kennedy (Communications), Ben Gill (House) and Rowan Jacobs (Sponsorship).

Sadly Robert Storey who has been our Honorary Solicitor for a number of years has retired, we thank him for his support and service.

We couldn't run the club and all the programs and initiatives without the support of our many sponsors, starting with our Major Sponsor - Blackmores. Marcus and Caroline Blackmore continue to be active members of the club as do many of the Blackmores team. Other sponsors include Northern Beaches Council, United Resource Management (URM), Amber Waves, Avalon Meats and Neil Jones from BlueStone Homes (Open Men's Crew - Ocean Thunder). For the Blackmores Billy Ocean Swim we were again wonderfully supported by additional sponsors including Harris Farm Markets, Emma & Tom's Juices, RMYC Newport, Bilgola Primary School, Back to Health Physio, Talk Audio Visual and Adrenalin Sports.

I want to also acknowledge the support both the Club and I receive from our Federal Member, Jason Falinski, NSW State member, Rob Stokes, SLSNSW especially CEO Steve Pearce, SLS Sydney Northern Beaches Steve McInnes and the team and Northern Beaches Council. They continue to make themselves available to our club, attending carnivals, events and presentations and are proud to support us and the other Pittwater SLSCs. Thank you also to our Patrons John Brogden and Marcus Blackmores their wise advice and support is appreciated.

Finally, thanks to our Life Members, especially Graham Foran and Bob Machar. They are all active and interested members of the club, providing guidance, advice and time to ensure the club is in the position we are in now.

BILGOLA PRESENTATION NIGHT

2017-2018

CELEBRATIONS

Bruce Robertson

The following is an article by Seniors NSW on Bruce www.seniorsnews.com.au/news/celebrating-a-fortunate-life-on-the-australian-bea/3273057/

A LIFETIME of public service rests well on the broad shoulders of Australia's oldest active patrolling lifesaver, 87-year-old Bruce Robertson.

The summer patrols have started and Bruce is again on the beach with his patrol members. He no longer has his driver's licence, so he catches the bus from his inner-city home to Bilgola, faithfully turning up once a month ready to do his duty alongside his younger lifesaver mates.

Bruce started his extraordinary volunteer lifesaving journey when he was just 12.

His father was away at war and Bruce had a Saturday morning job at Swain's in Sydney city, the same place as actor Rod Taylor.

"He and I became good mates. He was very keen to join the surf lifesaving movement so we both went down to Mona Vale," Bruce said.

So, in 1942 Bruce and Rod joined Mona Vale club where they both gained their Bronze.

"There was only one person over 18 at the club then, and that was the president, George Wray," Bruce said. "They didn't ask our age because there was nobody else." The war had taken all the older members away.

Bruce and Rod remained firm friends until Rod drifted off into the pursuit of his art at East Sydney Tech College and films, while Bruce remained in school.

"Rod was almost two years older than me," Bruce said. "He was also very successful with the ladies," Bruce added with a chuckle.

Bruce started as a rower for the club's surf boat crew. Mona Vale had won the national championship in 1939 and they were looking to return to that glory.

So, at 12, Bruce was co-opted as a member an enormous surf boat.

He remembers rowing in the 1954 surf carnival at Bondi Beach which the Queen attended. "It was an enormous surf, but it was a fantastic day," Bruce recounts.

He also has found memories of his rowing mates, some 15 or 16 of them, sleeping on gym mats in the clubhouse. "We would go down to the club for the weekend," he said.

It wasn't until 1950 that Bruce moved to Bilgola to join some of his friends.

After school finished Bruce attended Duntroon where he graduated as a Lieutenant. He spent two years in the army before the ambitious young man left to join the corporate world in building materials.

Throughout this time and in the ensuing years his volunteer lifesaving commitment never waived.

While he may have retired from paid work at 60, that was the only retiring he did. He next took on chairman of Taronga Zoo, then the deputy chair of the Botanic Gardens and then onto Keep Australia Beautiful while continuing to play golden oldies rugby union for the Gordon club where he was vice-president and keeping up his active lifesaving volunteering role at Bilgola Beach.

"I'm not keen to get into anything competitive these days," Bruce admits. "I will still walk the beach," Bruce said. His patrol group are on duty once a month for four hours. If there is a crisis, Bruce said he now lets his younger patrol members deal with it.

"I find there is a lot of respect by younger people today," Bruce said of his fellow patrol members.

"I think the younger generation are to be admired. They have not had the thumb put on them.

"In my generation, the thumb was down on you. Today, people are out to make the best of everything and that applies to young people. I admire them enormously.

"Now I am quite happy to sit and watch, to see what people do.

"So much has happened and so many changes have been made, really I should be one trying to get as much as I can from them."

As he gazes fondly over what has been his second home for all of his adult life, his greatest joy is watching how his home club has progressed. "I can remember digging into the stone to build it," Bruce said of Bilgola Surf Life Saving Club.

"I am not going to give it up. I love the club," Bruce said.

"I feel that I have to give something back to society as society has been very good to me. Surf Lifesaving is one of those ways I can give something back.

"I am enjoying living in this society. I don't want to stop," the proud lifesaver said.

"I feel that I have to give something back to society as society has been very good to me. Surf Lifesaving is one of those ways I can give something back."

The Accidental Lifesaver

Looking back on my 40 plus years of Lifesaving on Bilgola Beach a couple of books could be written in – one for public consumption and a second for restricted release. Following are some memories, observations, etc about my time at Billy.

In the summer of 1971/72 a group of players from Eastwood Rugby Club decided to join Bilgola SLSC (I was not one of them) as it was desperately short of members. However, a member of one of the squads pulled out and I was cajoled into taking his place, and 2 weeks later I was a lifesaver. Things were different in “the good old days”.

The surf on the day of the Bronze testing was truly horrible and it's surprising that so many of us passed. I think the Assessor was pretty benevolent on some of the belt swims. Let's be thankful that the belt is no longer a rescue tool.

How did I come to hang around for so long? I guess the main reasons are great friendships (Steve Rouse and I have been best friends since Beecroft Primary School in the early 1950s), contributing to the community and it's been a lot of fun both on and off the beach.

For many years:

- Club members would turn up every Sunday to play “20” a side touch football or volley ball with a 10 pound medicine ball, where the main aim was to knock the opposing players head off.
- a surf boat was always on the beach for. On one occasion I remember rowing onto a wave and the Sweep calling to come aft. As we went aft the boat turned to the right across the face of the wave and rolled. I was the only person in the boat when it hit the beach sideways - 3 oars were broken. We were not too popular but we (the rowers) knew it was the Sweeps fault.
- the Clubhouse bunkroom was mostly full on a Saturday night. It was great to emerge on a Sunday morning and wash the cobwebs away in the surf. However, the mattresses were a little “second hand” and it was not a great place if you wanted a quiet night's sleep. With the inclusion of female lifesavers in the 1980s and the need to generally upgrade the Clubs facilities, the bunkroom had to go.

In 1974 there was a massive storm that caused serious damage all along the coast. At Bilgola the waves were washing across the car park up to the Public Change Rooms stairs and destroyed a house in Allen St, and the beach side pool of another house, and yes, another Clubhouse boat ramp was destroyed. . It also threw a large boulder through the boatshed doors, landing in the back of the boat room

In the winter of 1992 a “Patrol” took a belt and reel, the march past flag and numerous sets of patrol gear to Perisher where the “Patrol” entered in the Pub to Pub cross-country competition. The “Patrol” skied the several kilometres from Smiggin Holes to the Valley Inn at Perisher in march-past formation and won \$500 for the best fancy dress entrant. No lives were lost.

The local Council introduced parking restrictions at the Club, in the Reserve above the Club and in the streets around the Club has drastically reducing patronage of the beach. Before the restrictions you could park anywhere and it was utter chaos on busy days. We could have a couple of thousand people on the beach. Now a couple of hundred is exceptional. On busy days you either parked at Newport or stayed late.

Life Saving has changed substantially over the years and continues to evolve and improve. The introduction of technology and extensive training has enabled patrolling to be far more proactive and effective. For example:

- the phasing out of the belt and reel, and surf boats (other than for competition). I can remember looking back at Bilgola and Newport Beaches one day at the end of 400m of belt line and thinking there has to be a better way.
- The “Duck” is great as 2 Lifesavers can be in action within minutes whereas with a surf boat you needed 5 and a bit of luck when there was any sort of surf running. The “Ducks” were not without problems in the early when they were used with a level of raw enthusiasm. We had a number of spectacular accidents e.g. when Jamie Stokoe came in one day saying he thought he had broken his ankle. He was correct but as it was his left ankle he was able to drive himself to Mona Vale Hospital – what a man. His was just one of several breaks experienced by members before training became more comprehensive.
- The use of radios where in the past somebody had to get to the Clubhouse and call for an ambulance.
- The use of the oxy-viva and defibrillator. Not so long ago they weren't available on the beach.
- The helicopter - excellent at exfoliation when you are standing under one on the beach waiting for a Paramedic to be lowered.

All these things (and others) work toward making the beaches safer, but it's the lifesavers that make it all come together. I wish all at Bilgola SLSC all the best for the future and I look forward to still joining senior members of Patrol 2 for coffee at Zubi's.

PS: I still have trouble with acronyms – must be old age.

Tony White

FAREWELLS

Richard “Mr Bean” Crayfourd

Richard Crayfourd, a Distinguished Service Member was a long standing and distinguished service member (affectionately known as Mr. Bean). Rich originally joined the club as a nipper parent in 1990 and became an age manager shortly after. He remained an age manager for some years and served on both the senior and junior committees, including the roles as branch delegate, Club Vice President and Hon Secretary. He was an active member of the renovation team which carried out the major extensions to the clubhouse from 2000 to 2002, and has been an enthusiastic support of our club for over 20 years. He later became a level 1 official and officiated at many boat carnivals and was a member of the branch TIPS team.

At his funeral service held at the club, his daughter Emma Crayfourd shared this: “A message from our sponsor. Richard always enjoyed the last word in debate, some things don't change. The first and most important thing is for recognition of my Rock, my loyal companion, lover and faithful carer, Jenny, she has never failed me through this journey. Second is our two children who both supported me and retained inspiration to keep on keeping on. Bob and Graham and Emma's partner David have also been wonderful and really appreciated, thank you all. To my surprisingly large group of friends, I can also say thanks, particularly Bilgola Burglars & work colleagues. I had a good life with few regrets. Make sure you can say the same if you want real peace when it matters, love Richard”

Tony Rollo Bland

Bilgola SLSC farewelled Tony ‘Rollo’ Bland in December 2017. Tony joined the club 60 years ago. He achieved his Bronze in 1958, has been Club Treasurer, President and Auditor and was made a Life Member in 1978. He was an excellent swimmer especially in long distance events. The Club had three Bilgola Surf Boats raise their oars and three IRBs on the water while his ashes were spread with his friends and family watching on. During his wake, a pod of dolphins were swimming in the bay and as one of the Life Members was reminiscing five F18s flew past.

On the day of his farewell, club member, John Stone read an “Ode to Rollo”. I first met Rollo when he joined the surf club 60 years ago but I had more quality time with him over the last 6 months than the previous 60 years. We would meet at Bilgola Pool a couple of times a week, Between the two of us, we knew just about every one of the regular swimmers. We were two old farts, Rollo with his surgical boot and electric bike from the boot of his car, me with Parkinsons. Rollo would often visit me at home and we would sit for hours over a beer or two discussing current affairs, old friends, family, sailing and Surf Club finances, Marcus' latest boat...Rats Rugby – he was a Norths Supporter. These were most enjoyable afternoons for me and I hope for him.

Peter O’Gready

Long Serving Member Peter O’Gready, aged 84 years died in March 2018 with his family by his side. Up until two years ago Peter was still patrolling at our beach. He had been a member of Bilgola SLSC for 61 years and always patrolled.

TREASURER'S REPORT

The executive committee continues to strive to maintain and enhance the club's facilities and cannot do so without the generous support of all our members, the community and local authorities during our various fund raising events and club activities held throughout the year.

PRELIMINARY

A profit of \$40,767 for the 2018 financial year was recorded (2017: \$31,824). A major focus of the committee during the year was on maintaining and growing our revenue levels. The 2017 year we saw revenues grow 33% and the club post a strong profit. We have been able to maintain this position in 2018.

Our major sponsor Blackmores have continued their generous support providing funding for many upgrades to the clubs operational activities including the ongoing assistance to our Nippers program, surf boat sponsorship, beach safety, clubhouse maintenance and life saving equipment.

Our success in surf competitions has continued throughout the year with many of our member's posting success in the junior, senior and master's events at Branch, State and National carnivals. It is always important for the club to allocate adequate funding to compete in these events and provide our competitors with the best competitive equipment.

FINANCIAL SUMMARY

The financial results for the year ended 31 May 2018 recorded in the Income Statement show continued strength in income derived from memberships, functions and our major fund raising events. Our overall revenue remained consistent with 2017 levels further strengthening the clubs financial position and ability to fund core activities.

From the \$370,393, (2017: \$371,071) in revenue earned the club has spent \$329,626 (2017: \$339,247) across various club activities including upgrading and maintaining equipment and the facilities enjoyed by members. The end result for the year saw a profit of \$40,767 (2017: \$31,824). The retained earnings of the club is \$299,973 (2017: \$259,206). The clubs cash position has been strengthened during the year with cash deposits at the end of the financial year being \$228,516 (2017: \$203,058).

INCOME

Our revenue base for funding our expenditure primarily came from Membership subscriptions, Sponsorship, Donations, Grants, Fund Raising activities and functions. Revenue this year was \$370,393 which is in line with 2017 levels. Whilst there has been some fluctuations in some of our revenue streams the majority have remained relatively consistent with 2017.

Without the continued support from our member's contributions, sponsors, donors and function activities we could not remain a financially viable club. Annual membership fees are invaluable both for the club and especially for members, giving them access to latest club facilities. However, further assistance and support is required to ensure we can continue to provide benefits to our members and the community.

Our major fundraising events, the Bilgola swim along with our regular Sippers and Nippers BBQ were once again well supported by our local community, business and members. All these events are as important as each other in relieving the financial burden of funding the clubs activities. Increasing function activity has been a particular focus of the committee during the last two years. 2018 saw an increase of 12% which continues to build upon on our efforts of 2017 which saw a 52% increase in function revenue from 2016.

Donations are very special to us and provide a personal way for members and non-members to support the club. This year we again received income from the trust fund bequeathed to the club by our past long-standing member Bob De Groot. No matter how large or small the donations we receive every dollar does indeed help, so again we thank all our donors for their continued support. Donations are also tax deductible due to the club being a non-profit organisation with "Deductible Gift Recipient" status. During 2018 we conducted a mail out within the local community requesting their support of the club through donations. This was well received with a number of donations being received as a result.

During 2017 a grant of \$26,056 was received from Surf Life Saving NSW. The grant was to upgrade specific surf club facilities as identified during an audit of clubs. This grant was recorded as deferred income (liability) on the balance sheet in 2017. These funds were spent in 2018 and as a result recorded as grant income in the 2018 accounts. This is the reason why grants income has increased on 2017 levels. The funds were primarily used to upgrade the clubs lighting facilities to assist in reducing future operating costs of the club.

During the year two of the clubs older surfboats were sold. These sales generated \$15,182 in cash receipts. These sales did not translate directly to revenue within the income statement as one of the boats was still being carried on the balance sheet as an asset. The sale of this boat covered the remaining value being carried on balance the sheet.

EXPENSES

Our primary goal as a surf lifesaving club is to keep our beach safe for all swimmers and those who visit our shores. It can be costly to maintain our equipment to such a high standard together with providing ongoing training for our members. This year we spent \$19,475 on our beach operations, medical, training, maintaining IRB's, Safety equipment, Board and Skis. With much of this equipment used to save lives the aim is to avoid the risk of equipment failure during a rescue. In addition, the club invested in a new IRB engine.

With our patrolling members visible on our beach during weekends and public holidays many are also competing in Surf Lifesaving competitions at Branch, State and National levels. This year we spent \$12,846 on competition costs. This is one area where the club can see tangible results and is an avenue we can encourage and develop a competitive spirit among our members. We should not overlook the efforts of those members who officiate at these competitions to ensure they run smoothly and fairly for all competitors. All of their time and resources are volunteered to make our club even more competitive each year.

Another area of expenditure we see as beneficial has been the continued updates to the clubhouse. This year we spent \$54,691 on clubhouse improvements and maintenance. This includes key items like the lighting upgrades and new outside awnings for the clubhouse. The maintenance of our Clubhouse is always ongoing as it's exposed to the harsh elements of our environment. This work involves many of our club members volunteering their time and resources to get the job completed to such a professional standard. We are very appreciative of their commitment to make it all happen.

NEXT FINANCIAL YEAR

With the clubs revenues being consistent over the last two financial years and strong profits being recorded we have put the club in a strong position to ensure we can invest in the best surf lifesaving training and equipment available to our members, their families and our community. We strive to ensure we have adequate facilities and can provide the many competition and social activities for our members and the community to enjoy.

I would like to thank my fellow committee members who made these financial results possible. Without their dedication to growing and maintaining revenues and managing our expenses so diligently we would not have achieved these positive financial results.

Bilgola members acknowledged at Sydney Northern Beaches SLS Awards of Excellence evening

Dennis O'Toole, Bilgola SLSC Life Member (2001) was awarded Life Membership of Sydney Northern Beaches SLS at their Awards of Excellence (AoE) evening last Friday night.

Dennis obtained his Bronze Medallion in 1966, joining Bilgola SLSC in 1978. He has held numerous committee positions both for Bilgola (2003 – 2017) and Branch including Vice President Bilgola SLSC (1995 – 1997) and President Bilgola SLSC (1998 – 2002). Level One Official at Sydney Northern Beaches Branch (2008 - 2018) and in 2010 was awarded Distinguished Service Member of Sydney Northern Beaches Branch. He has attended all surfboat carnivals in the capacity of 'starter', including local, Intrastate, Interstate and Australian Surf Life Saving Championships (2008 – 2018). Currently a regular 'surfboat starter' of finals at Branch, State and Australian Championships. A member of the Sydney Northern Beaches Branch Surfboat Officials group, who are recognised as the most competent set of surfboat officials in Australia.

Karen "Kaz" Marks Not one but two awards for Kaz Marks at the SNB AoE. Kaz, a member of both Bilgola SLSC and Narrabeen Beach SLSC, was first on stage at Dee Why RSL last Friday night as part of that very valuable TIPS team, who received the Services Award. "While I was absolutely surprised, it was nice to see TIPS recognized for the work that they do," said Kaz. Kaz has been officiating for quite sometime in First Aid, Championship Lifesaver, surfboats but is focusing now on IRB's.

In fact, she's the first female IRB referee with SLS NSW. Kaz has been a Branch Volunteer of the Year award winner, but this is the first time as Official of the Year. "When I looked at the other finalists I couldn't believe I'd won it," she said.

Patrol 14 was awarded the inaugural **Patrol of the year**. Patrol 14 was formed at Bilgola Beach in 2014 under Patrol Captain (and President) Romilly Madew and has grown to being 23 members, including mothers and sons, fathers and daughters, newly awarded Bronze Medal holders and SRC graduates. The aim of the patrol has always been to work with the public to keep beachgoers safe. The patrol leadership has always stressed the visibility that patrollers have when they put on the uniform – they are in the public eye and must act accordingly. Patrol 14 includes the Madew Family (Romilly, David, David Junior, Arielle and Nathaniel), Dahdah family (Brandon, Nathan and Jayden), Rowan and Liberty Jacobs, Daryl and Andrew Moore, Keira Paine, Caitlyn Lowe, Alex Fan, Ruby Lemon, Dawn Michel, Laura Papworth, Ruby Brook, Georgia Ryan, Oliver Liell, Olivia Cowper and Harry Kountouris.

Other club members who were nominated include; Isabelle Schmidt (Trainer), Peter Fenley (Assessor), Joshua Farr (Young Volunteer), David Madew (Volunteer), Romilly Madew (Patrol Captain), Bruce Robertson (Lifesaver). Thanks to David Madew and Kylie Ockwell for pulling all the nominations together.

SPONSORSHIP REPORT

Bilgola SLSC has again been fortunate enough to have the wonderful support of our sponsors to do what we do best, save lives and build community. Blackmores, our major sponsor, were there for us again, enabling us to continue to update valuable equipment, cloth our competitors, officials and nippers, and run our fabulous and very busy club.

Closely associated has been the amazing support from local Billy residents and Blackmores' Chairman, Marcus Blackmore and his wife, Caroline. Via their philanthropic trust, the Blackmore Foundation, they generously funded both our new 'Little Ripper Life Saver' UAV or drone, as well as a new IRB, with both major pieces of equipment launched and active this season.

The launch of the drone took place on the same day as our annual ocean swim, the Blackmores Billy Swim. It attracted a host of media coverage in the form of two Channel 9 News stories, two stories in the Daily Telegraph (paper and online) and coverage in the Manly Daily (paper and online). This was a great way to be able to highlight the work the Blackmore Foundation, and of course Blackmores, are doing in not only our community, but more widely to promote the future of life saving in Australia.

Another event of major interest, not only to us as a club but also to the national media, was the celebration of our member, Bruce Robertson, as he clocked up his record-breaking 75th year of patrolling on our beach. The event also coincided with the launch of the IRB donated by the Blackmore Foundation and named after Bruce. Again, media coverage was extensive with a host of stories both in newspapers, online and coverage on Channel 9's Today Show and ABC's 7.30 Program.

But sponsorship comes in many forms, both big and small. It can simply be helping us with cheaper snags for the Nippers BBQ; fruit for the swimmers after the Billy Swim; help with the AV system; and of course, prizes for the many events we run.

Here are the list of our other awesome sponsors who make it possible for us to do what we do:

- **Adrenalin** – thanks again to our member Josh Axford for all the amazing prizes over the season
- **Talk AV** – yet again member Simon Walsh gave time, expertise and equipment to make sure we could be heard and seen
- **Avalon Meats** – for those wonderful snags
- **Amber Waves** – snags need bread
- **BlueStone Homes** – Neil Jones from BlueStone Homes sponsored our men's surf boat Ocean Thunder entry
- **Northern Beaches Council** – for their support in promoting the Blackmores Billy Swim
- **Royal Motor Yacht Club** – for the buoys at the Swim
- **Harris Farm** – for their tasty fruit at the Swim
- **Back to Health Physiotherapy** – for the healing hands at the swim and their donation
- **United Resource Management (URM)** for the significant support in providing free rubbish and recycling removal
- **Zubi at Billy's** for being there for us in a myriad of ways

Grants again play a big part as well in funding our operations and this season was no exception with equipment grants allowing us to purchase a new IRB motor and other vital equipment.

So thank you to all the organisations and people who's generosity in funds, equipment and time have helped us have such a brilliant season!

BLACKMORES BILLY SWIM REPORT

In the lead up to this year's swim, the first swim in the Pittwater Series of five ocean swims across the Northern Beaches, we experienced some very large surf, very cold water conditions (13C!! Brrrr!!) and concerns over whether the skies would shine on us or not.

Adding to the event this year was the launch of the Little Ripper Life Saver technology, kindly donated by the Marcus & Caroline Blackmore Foundation. So after rehearsals, media events, dips in the cold large surf for newspaper photo shoots, we eagerly awaited the day's weather. And we weren't disappointed! Beautiful weather, flat-ish surf, low tide and 18C water temperature. With clear skies and a bevy of VIP's including Rob Stokes State MLA, Jason Falinski Federal MP, Michael Regan, Mayor Northern Beaches Council and Kylie McPherson Northern Beaches Councillor we set the competitors off for their 800m and 1500m ocean swim.

Our winners came from the ranks of experienced and well trained ocean swimmers who featured strongly in last year's event, together with some new faces in the younger ranks. Our swimmers ranged in age from 13 right up to 77 years old.

We were again wonderfully supported by additional sponsors including Harris Farm Markets with tray after tray of fresh fruit, prepared by our club volunteers. Juices this year were provided by a new sponsor, Emma & Tom's Juices, as well as our long-time supporters including RMYC Newport, Bilgola Primary School, Back to Health Physio, Talk Audio Visual and Adrenalin Sports. And a great Shout Out to the SRC, cadets and patrollers on the day for their time. Their continued support is always sincerely appreciated.

Our numbers were close to our entrants last year at almost 300 swimmers across both events. We look forward to building on the success of this year, together with a very successful launch of the Little Ripper surveillance tech and having another successful swim next year. Once again, our sincere thanks to the tireless volunteers who gave up their time to help the club out for one of our major fund raisers of the year.

CLUB CAPTAIN'S REPORT

This season Bilgola proficient and active membership provided 7,019 volunteer hours ensuring that the key lifesaving objective of providing a safe swimming environment for the community was maintained. There was no loss of life and no major incidents recorded this year.

Overview

A total of 142 patrols were manned by 206 proficient volunteers. Special thanks must go to the Madew family, Rogers family, Hall family, Greg Franks, Bruce Scheffers as well as our top ten patrollers for going the extra mile and volunteering non rostered hours when patrols fell short of the required minimum manpower qualifications.

Maintenance of training standards are a necessary part of being a lifesaving volunteer and as a check of these standards Sydney Northern Beaches Surf Lifesaving conduct patrol audits. Patrol audits were again undertaken this season and Bilgola performed well in all reports. Thank you to all patrollers who were part of the patrols who were participants in these demanding assessments.

Skills Maintenance (Proficiency testing / annual re-endorsement) was, as always, undertaken at the start of the season and it was great to see so many patrollers get this done early making it much easier for the club trainers to complete this Service Agreement requirement efficiently.

Our Cadets have once again shone with their continual support of Nippers, the Billy Big Swim and patrols. Thanks to Rob Chant and Josh Axford for their work with our youth membership and assisting in maintaining cadet engagement. A special thanks to Robyn Yeates for her tireless efforts every Sunday morning at Nippers as well as patrols.

Thank you to the IRB team, especially David Madew, for working so hard over this and last season to grow our IRB driver and crew numbers. This year for the first time patrols were able to manage IRB manpower with a greater degree of self-reliance.

Patrol Captain of the Year.

Levi Broughton-Rouse has this season has encouraged his team to expand their skills base and tirelessly worked to keep this tight knit group of patrollers from the Hills District engaged.

This patrol regularly utilise the BBQ area and Levi has once again provided keen leadership.

Patrol of the Year – Patrol 3.

A keen team of quiet achievers who have been patrolling for a significant number of years ensuring that manpower quotas are fully maintained even when their Patrol Captain is away adventuring. Patrol 3 has performed very well in beach audits and always have the beach well set up before sign -on with all equipment appropriately stationed.

Final Word

Thank you to all our Christmas Day volunteers for giving up personal time on this year’s very grey and cold volunteer patrol. Another thank you to all our Billy Big Swim water safety volunteers whose efforts ensure we have a safe event. And finally thank you to Kerry Alderton and Dr Jon-Paul Mather for providing medical services for the Bilgola Boat Carnival and the Billy Big Swim.

IRB CAPTAIN'S REPORT

It is with great satisfaction that I look back on a great year. It is hard to believe that only a few years ago our club was scrambling for IRB drivers and crew, to keep up proficient patrols. Now the IRB section is thriving with plenty of excitement and proficient crew and drivers. This did not come automatically and hence I wanted to thank everyone that help us further develop IRB's over the last few years.

First of all a big thanks to the Blackmore Foundation. Marcus and Caroline Blackmore, (who are at the beach every morning) donated the world's first Surf Life Saving drone to the club. It is exciting for the club to be involved with these hi-tech innovations. However we also acknowledge that IRB's are critical equipment to save lives when it is needed most. We are very thankful to the Blackmores for the recent best shaped and equipped IRB and engine to do the best job possible, the "Bruce Robertson".

I thank David Madew, Marc Bernard, Tiani Schaefer for training yet again a new batch of Crew and Drivers. Special mention too must be made of those candidates who did attain their respective Awards - well done and congratulations!

Together with my good friend Bill Hawkins, we try to organize the maintenance of the boats and engines. I appreciate his words of wisdom and continued enthusiasm to make everything work.

Congratulations must go to David Madew as our IRB Person of the Year (2017/18) for outstanding contribution over the season(s). Dave is an amazing clubman. After running the Nipper BBQ, initiating plenty of social club gatherings, he has taken the initiative for Bilgola to start racing again. It is early days but the petrol fumes and enthusiasm could show some nice results.

Next to critical surf lifesaving service, the most important IRB result is a lot of fun! Hence I encourage young and old to walk in to the shed to see what the rubber boat fraternity can mean for you.

See you are the beach soon!

Piet Poelmann

IRB Captain

IRB TRAINING AND RACING

"Drive it like you stole it!" ancient proverb attributed to some old poacher turned gamekeeper

We reached a long-held dream of bringing back IRB racing to Bilgola when we competed in the 2018 NSW IRB Racing Season. After a late Summer of training with a number of newly recruited crews and drivers the team were fortunate enough to get access to the two new engines and one great new hull. The racing practice has proven to be a great learning aid for both drivers and crew not just for the racing but also for general patrolling duties.

The opening round at Stockton Beach provided the perfect start with our Rookie team of Tiani Schaeffer (driver), Clare Edgley (crew) and Jarrah Turner (patient) making the finals in the Mass Rescue and the Rescue. The 45+ team of Dave Edgley and David Madew competed in the Tube Rescue and Rescue falling just short to get into the final round.

Our racers are young, fast and full of potential - we are raring to go in a couple more rounds of the 2018 NSW Season over the next few months with several new crews and drivers, before going to the NSW Championships at South West Rocks. We will then put together a more sustained and established bid for the 2019 NSW Racing Season and beyond.

Thanks to Nigel and Trevi for their advice and support in training and interpreting the rules of the game. Thanks also to Tiani Schaeffer for her enthusiasm and drive in getting the team to where we are now. Lastly, thanks to the Bilgola Committee for supporting the re-establishment of this sport in the club.

David Madew

“A big thanks to the Blackmore Foundation. Marcus and Caroline Blackmore, (who are at the beach every morning) donated the world’s first Surf Life Saving drone to the club.”

“Sunday Sessions started off as a small four-week January season but quickly morphed into a 14-week run over Summer into Autumn, attracting many local people as well as club members, featuring musicians from the Northern Beaches”

LICENSEE & FUNCTIONS REPORT

We have been very fortunate in being able to hold all sorts of events including christenings, weddings and funerals at our club this year, reflecting the 70 years that the club will celebrate in 2019. Outside functions have been very successful from Spring and beyond under the eyes of Margaret Perrin and her bar staff and Kylie Ockwell in the front office with most weekends having some sort of celebration, allowing a little slice of what many of us see and experience every day of this beautiful club.

We have also been very active with in-club functions, particularly at the back end of the season. Sunday Sessions started off as a small four-week January season but quickly morphed into a 14-week run over Summer into Autumn, attracting many local people as well as club members, featuring musicians from the Northern Beaches. A big thanks to Rob Goodyear for manning the BBQ every week of Sunday Sessions. These kinds of events are certainly something that we would like to build on.

Other club functions have also included services for two of our long serving members – Richard Crayford and Anthony 'Rollo' Bland. Both of these members no doubt would be quite gratified that the club that they help build was able to play a small part in the celebration of their services.

A grant has allowed us to replace all the lights throughout the club, converting to LEDs, reducing our footprint and cutting our electrical costs dramatically. We were also able to replace the clear roll-down screens on the verandahs of the club, allowing us to extend the areas that can be used for functions.

Nippers catering has been very well run under the collective eyes (and utensils!) of Anna Hooper, John Brogden and Rob Goodyear – to turn out the amount of bacon and egg rolls, sausage sangas and every other

permutation in the space of thirty minutes every Sunday during the Nippers season is a sight to behold. Thanks also to the age-group volunteers that heeded the call from Richard Hardwick and made it just that little bit easier. I would ask that people that are interested in helping in a particular role of the club to not wait for someone to ask you – you are the one to make it happen.

Lastly, I would like to acknowledge and thank both Margaret and Kylie for their tireless work over the past year – they are the beating heart of the bar and functions in the club, allowing us to successfully run the club profitably so we can succeed in other parts of our club, namely saving lives on the beach.

Looking ahead, we are very optimistic of our club in these changing times. Whilst we will celebrate our history of the past 70 years in 2019, we look forward to the next 70 years even more.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MAY 2018

1 Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Corporations Act 2001, Charitable Fundraising Act (NSW), Associations Incorporation Act and Australian Accounting Standards Board and Interpretations of the Australian Accounting Standards Board. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

Membership fees

Membership fees received in advance of the current year will be brought to account as income in the appropriate year.

Inventories

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first-in first-out basis.

Taxes

Under the tax system, the Club was endorsed on 1 July 2000 by the Australian Taxation Office (ATO) as an income tax exempt entity.

Fringe Benefits Tax

The Club, as a public benevolent institution, was exempt from Fringe Benefits Tax under *Section 57A* of the *Fringe Benefits Assessment Act 1986*. No fringe benefits were paid as the Club did not employ staff during the reportable period.

Capital Gains Tax

The Club, as a public benevolent institution, is exempt from Capital Gains Tax under *Section 50-5* of the *Income Tax Assessment Act 1997*.

No provision is required for income tax as the Club's income is exempt.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MAY 2018

Property

Freehold land and buildings are shown at their fair value (being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction), based on periodic, but at least triennial, valuations by external independent valuers, less subsequent depreciation.

Property Leasehold Improvements, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the club during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of the recognition of the liability.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MAY 2018

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed.

Revenue from the sale of goods is recognised at the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods and cessation of all involvement in those goods.

All revenue is stated net of the amount of goods and services tax (GST).

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

Revenue from fund raisings, donations, grants/subsidies, sponsorships is recognised at fair value of the consideration received or receivable after taking into account the period of commitment. Income is recognized on accruals basis which is at the point income is committed, not received.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Contingent Liabilities

There are no contingent liabilities that the committee members are aware of that will have material effects to the financial report.

Events Subsequent To Reporting Date

Since the end of the financial year, there are no material events that have come to the attention of the committee members that will have material impact on the financial report.

Financial Risk Management

The club's financial instruments consists mainly of deposits with banks, short-term investments, accounts receivable and payable.

Financial Risk Management Policies

The association treasurer's overall risk management strategy seeks to assist the club in meeting its financial targets, whilst minimising potential adverse effects on financial performance.

Risk management policies are approved and reviewed by the members committee on a regular basis. These included the credit risk policies and future cash flow requirements.

The main purpose of non-derivative financial instruments is to raise finance for company operations. The club does not have any derivative instruments.

INDEPENDENT AUDITOR'S REPORT

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Bilgola Surf Lifesaving Club Inc. (the association) which comprises the balance sheet as at 31 May 2018, and the income statement, a summary of significant accounting policies and other explanatory notes and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are consistent with the financial reporting requirements of the Associations Incorporations Act and are appropriate to meet the needs of the members. The committee's responsibility also includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. Those Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the committee's financial reporting under the Associations Incorporation Act. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITOR'S REPORT

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001 and the Australian professional ethical pronouncements. We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the members of the committee, would be in the same terms if given to the members of the committee as at the time of the auditors report.

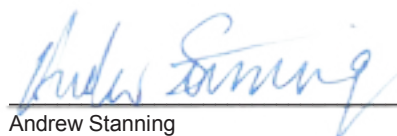

Opinion

In our opinion, the financial report of Bilgola Surf Lifesaving Club Inc. is in accordance with the Corporations Act 2001, including:

- (i) Giving a true and fair view of the of the financial results of fundraising appeals conducted during the year;
- (ii) The accounting and associated records have been properly kept during the year in accordance with the Charitable Fundraising Act 1991, Australian Accounting Standards, Corporations Regulations 2001, and other regulations;
- (iii) That monies received as a result of fundraising appeals conducted during the year have been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the regulations; and
- (iv) At the date of this report there are reasonable grounds to believe that the organization will be able to pay its debts as and when they fall due.

COMPETITION REPORT

Competitor numbers were down compared to recent seasons, but the club members who represented Bilgola on the surf sport stage did so with distinction, pride and great camaraderie.

Some of the key highlights on the competition front this season include:

- Bilgola re-entering the IRB racing arena with a team of fresh and enthusiastic newbies, after a hiatus of many years. The team recently competed at their first event and from all reports had a great time and learnt a huge amount. Good luck for the rest of the racing season.
- Surf ski paddlers, Jacqui Green and Simon McTavish, started competing for Bilgola this season at a number of carnivals including the state titles. They produced some promising results including finals across the season and we welcome them to Bilgola.
- Norm Pounder was appointed team manager of the Sydney Northern Beaches Interbranch surf boat team.
- Bilgola successfully hosted round 1 of the SNB surf boat premiership in November.
- Our surf boat crews again preformed consistently well throughout a very long season. Travelling far and wide across the country, they were always in the hunt and very hard to beat.

Highlights for the boaties included the u23 women “Bilgola Rippers” reaching the top 8 at the national titles competing against crews with at least 3 years more experience – great signs for the next few years as the crew matures and gets even stronger.

The stalwart 200+ years masters men “Bilgola Older” had another successful season in the strongest and largest division of masters racing. The crew won a medal at every level of surf championships – Branch, State and then culminating in a silver medal in a very tight Australian Championship final.

I'd like to thank the many, many club members who contribute so much time, effort and resources to support the competition endeavours of the club. It takes considerable effort from a wide range of people to get us out there and being competitive. At the risk of missing anyone (my apologies if I have), a big thank you to:

- President, Romilly Madew, the club's committee and all members for your unstinting support of our endeavours.
- Our very generous club sponsors, especially Blackmores and Bluestone Homes for your outstanding support, financially and in person. We hope you enjoy it as much as we do and that you realise how much we value your support.

- Our club's surf carnival officials, Dennis O'Toole, Kaz 'Trev' Marks, Nigel Penn, and Norm Pounder, for giving up endless hours of their own time to help organise and run our competitions. Without you being there we cannot compete. Sadly we lost long time official and surf boat supporter Richard Crayfourd recently and would like to recognise his outstanding service to competition and the club in general. Vale Richard, we miss you greatly.
- Life member Dennis O'Toole, who continues the thankless and time consuming job of submitting our carnival entries and much, more besides. Thank you for your valuable input again this season Dennis.
- Norm Pounder, our State and Aussie Titles touring team manager.
- Boat carnival organiser Norm Pounder and his team. A lot of work behind the scenes each year ensures our boat carnival retains its reputation amongst competitors, officials and spectators as one of the best around.
- Our incredibly dedicated surf boat sweep and coach Ben Gill – for the countless and mostly thankless hours spent recruiting, training, guiding and competing with our crews, maintaining our valuable gear, towing our boats near and far and the myriad unseen things that you do that get us to the start line. The positive impact you have on our rowing group is immeasurable and long lasting. Thank you to an impressive young man at the top of his game and an extremely valuable club member.

In closing I'd like to recognise the contribution of Don and Carol McManus to Bilgola SLSC over the past two and a bit decades. During their time at the club, we enjoyed unparalleled success in surf boat competition including multiple world championships, multiple national championships, multiple state championships, multiple branch championships and Ocean Thunder titles. Our crews represented SNB, NSW and Australia with distinction and won many more competition medals and awards to boot. Thank you Don and Carol for your contribution to a period of success that will never be forgotten. We wish you well in all your future endeavours.

See you next season.

Norm Pounder
Competition Secretary

“I’d like to thank the many, many club members who contribute so much time, effort and resources to support the competition endeavours of the club”

“Having one of Australia’s, therefore the world’s, recognised best young surfboat sweeps guiding our crews through the waves and in competition is a great credit to the club”

BOAT CAPTAIN'S REPORT

Bilgola surfboat crews were fewer but strong this season. Benny Gill came to the fore as the club's primary competitive sweep and coach.

Gilly lead the rowers throughout the season honing his sweeping skills well enough to be lauded at the Australian Surf Life Saving Championships to the throngs of competitors and spectators across the beach by both announcers over the loudspeaker; "Benny Gill from Bilgola is giving a masterclass in sweeping" and "the best piece of sweeping I've seen in a long time". Having one of Australia's, therefore the world's, recognised best young surfboat sweeps guiding our crews through the waves and in competition is a great credit to the club and introduction to this year's report.

The Bilgola Carnival

Once again Bilgola hosted the greater Sydney region's first surfboat competition event of the season, the Bilgola Surfboat Carnival. The Billy carnival is a popular event on the competition calendar, recognised as one of best run events for both officials and competitors. It offers a relaxed and fun introduction to crews keen to get back into the surf after the winter hiatus. Over 60 crews raced across all divisions.

The high esteem with which this event is held is due to the efforts of those that have previously organised and contributed to making it, year after year, one of the few surfboat carnivals to which the SLS SNB does not have any issue having Officials volunteer their attendance. The event was well covered through the media with Peninsular Online News running myriad photos and a comprehensive story on the club's rowing programme and this year's carnival. If you missed it enter this URL into your browser: www.pittwateronlinenews.com/profile-of-the-week.php

This year we were fortunate to have Nigel Penn having his first major appointment as carnival referee at our own carnival; and Norm Pounder taking over the coordination and organisation of the event. With that double whammy we had an event that was run efficiently and successfully, and it went off without a hitch. For first timers, a big accolade for both.

For someone who wanted to take a less active participation in organising this year, unwanted but willingly, Norm continued his support and coordination of the boat section and the rowers throughout the season, quietly and steadfastly picking up and contributing when he could see it was needed. Norm is a fine example to all members of the club of what being member of a club should be, this is what makes a great clubman. On behalf of all the Billy rowers, thanks Norm, we recognise your contribution.

The Bilgola Officials

A couple of other people, whose contribution to Bilgola Surfboat Rowers, who are not recognised as prominently as the rowers but always should be, as it is their contribution each season that has and will enable us to compete without impediment, by maintaining our requisite officials to competitor ratio.

One member of our Billy rowing community who plays an integral and important role year after year without wavering is, incontestably, Australia's number one surfboat starter, Dennis O'Toole. Doodles attends every carnival, local and away, is on the stand in sun and rain, ensuring that all competitors get off the beach fairly and well. Every sweep, thus every rower, is aware of who starts their race, and every competitor across Australia is pleased and relieved to see Doodles on the stand. On behalf of all the Billy rowers, thanks Dennis, we recognise your contribution.

The other mostly unrecognised members of our rowing team are Nigel Penn and Kaz Marks (Trevi). While Nige is an expressive character, not many people ever get to see Nige as he and Trevi arrive at the carnival and are in the duck laying the course before any competitor arrives. Then provide water safety out the back all day, collect the buoys when the event is finished and put them and the IRB away after all the rowers have left the beach. If we could have Nigel's contribution to the rowing programme measured in hours Bilgola would not need to have an official at any event for another decade or more. On behalf of all the Billy rowers, thanks Nige, we recognise your contribution.

And of course, to you too Trevi for your innumerable hours contributing to Bilgola's official's ratio commitment.

Thank you also to our club president Romilly and our club captain Peter Fenley, to each of you individually, for your continued support of and consideration to the boat rowers.

The Bilgola Rowers

This year we had three crews competing regularly in competition

Open Men: Benny Gill (SW), Dave Bryant (S), Mitch Renouf (2S), Nathan Udy (2B), Michael Ritchie (B), with Mark Hooley filling in late in the season due to injury

U23 Women: Benny Gill (SW), Lucy Knowles (S), Grace Devaney (2S), Cara Jacobs (2B), Ella Smith (B)

Masters Men 200: Benny Gill (SW), Norm Pounder (S), Mark Parsons (2S), Grant Jacobs (2S), Garrett Smith (B)

Open Men 'Bilgola Benny's'

With high expectations, for a 2017-18 season the Benny's were on the mark early in the season, making the final and finishing fourth at the competitive state team selection event at Mollymook. Unfortunately, the Benny's season was interrupted and cut short by injury. After surgery to reattach his ruptured bicep pre-season, stroke Mitch Renouf charged into season confidently, bravely and competently only to succumb to injury midway through. The boys were saved by a raggedy haired angel in the form of veteran Bilgola rower Mark Hooley, who, after dusting off some cobwebs was competition ready in just a few weeks.

With Hools, whom the Benny's now call 'the human metronome', bringing his years of experience to the crew, and the Benny's teaching Benny the valuable lesson of chilling-out in high pressure situations (and at other times), the As managed to place top 8 in both the ASRL and State championships – finishing the season with a high. Some impressive results for the Open Men considering the adversity they had to overcome.

Although Mark Hooley capably stepped in and lifted the crew's enthusiasm and competitiveness, they were unable to cross the country to compete at the Aussies this year, with their last event being the NSW State Championships.

The Benny's would like to recognise and express their gratitude to Neil Jones of Bluestone Homes for his sponsorship of the crew into the Ocean Thunder series. This financial support by ex-Billy rower Jonesy, provided club sponsor Blackmores with considerable television exposure with our prominently branded surfboat throughout the televised OT event. OT is a commercial event and not part of the SLS competitive circuit. The Benny's were publicly congratulated by the event organiser for their admirable start to the series. The crew represented the club and Bluestone well across the four event professional series finishing in the middle of the field against the best twenty-four crews in the country.

U23 Women 'Bilgola Rippers'

With three of the girls having rowed previously in under nineteens, this was the crews first year in u23s. Starting the year with a novice rower, and not just a newbie to rowing but putting her in the stroke seat, Lucy quickly caught up to the other girls' skills thanks to the patience and encouragement of their sweep, coach and surf mentor, Benny Gill. As first-time entrants into the division, as the youngest crew in the division and with a novice rower, who could have guessed the accomplishments these girls would achieve across the season.

Only weeks after the crew rowed together for the first time, they came away with a win in the North Cronulla carnival

in December. Following which, the Rippers placed 5th in the final at the biggest surfboat event outside of the state championships, the prestigious Manly carnival, and followed that by winning the Freshwater carnival over the Australia Day weekend.

Gilly had the girls firing and peaking at the right time of the season making the semi-final at State and the final at ASRL - the Australian Surf Rowers League national championships. The across in Perth at Aussies - the SLS Australian Championships, despite winning the round robin point score, the girls were knocked out in the semi-final, placing 7th overall on the national ranking. A big effort for first year competitors in u23s and first time ever rower Lucy. All the girls are only nineteen and have another three years to compete in this division, so watch this space.

Throughout the season Gilly had the Rippers training at the beach on Sunday mornings, then quite often showing the Nippers the ins and outs of the surfboat, with the Rippers encouraging the young girls in Cadets and Nippers to believe in themselves and their ability to compete in and conquer the wild surf.

You can follow this crew's progress at the World Championships in Adelaide in November and over the next few years by following them on the girls their newly launched Instagram account @billyripperz.

Masters Men 200 'Bilgola OLDER'

The Bilgola masters crew, Bilgola OLDER, stepped up to the 200-year aggregate age group this season under new sweep Benny Gill. The 200s division in masters rowing is the largest and most competitive. Although now in an older division, the OLDER won a medal at every championship event this season, with the highlights being

- 1st SNB branch championships
- 3rd NSW State championships
- 2nd Australian championships

The bridesmaid medal at the Aussies was a bummer and a letdown for the boys as they lead the whole race and were done on the edge. Ahh, don't we love surf boat racing.

In addition to their championship accomplishments the OLDER competed regularly throughout the season in Reserve Grade against rowers 20+ years younger and quite often beating them. Later this year they will try for a third world title as a crew in Adelaide before yet another season together.

Now, these OLDER fellows are on average fifty years of age and still displaying grit and determination that is an example to all to continue to enjoy life, the camaraderie of like-minded people and to push your boundaries.

Mixed

A novelty event at the occasional carnival, there was only one race for the year and Bilgola managed to take it out. Benny's A crew stroke Dave Bryant lead the crew, with father and daughter rowers masters 'Doc' Smith, Doc's 19-year-old daughter Ella, plus Ella's fellow u23 crewmate Cara Jacobs. See the pic in the report where Ella is so obviously happy and proud to have accomplished such a feat with her dad.

Groms

The Bilgola Barnacles u19 Women's crew of Jasmine Axford, Molly Webster, Kiera Paine And Arabella Archibald, started training each week, took to the surf on a few occasion, are were looking to start racing as soon as the youngest member turned 16 in January. Unfortunately, with studies, family holidays and commitments this crew did not compete this season. Hopefully next summer.

Herbie Hawkins was our lone u19 male rower who swapped in and out with the Barnacles. Herbie was keen-as, but we were unable to fill three more spots in the boat to enable him to compete. At least his time in the boat contributed to Herbie's Duke of Edinburgh award. Again, here's hoping for a better lift in numbers to give Herbie a splash next year.

Cadets. A successful day of introducing Cadets to surfboats was held early in the season on Pittwater. We can but hope all those that were keen on the day will be able to maintain that eagerness until they turn 15 when we can officially permit them to row surfboats.

Others

A shout-out and thank you to Elle Malone for her contribution this season as an all-rounder. Elle regularly filled in with every crew, including the Benny's. We were unable to find the rowers to build a crew around her but that did not stop Elle's continued presence at all events and assistance across all crews, even at times, the cadets.

Thank you to Bruce Sheffers, Ciara Smith and Kelly Marsh, all non-rowers or non-competitors for your contribution in assisting with our fundraising efforts.

Huge appreciation to all you blokes in the Bergers and the Burglars for manning the barbie on carnival day. Your support and contribution was greatly appreciated by the rowers and the club.

Presentation night

Everyone who rowed this season voted in the club's peer awards that recognise our fellow rowers who contributed the most this season. This year's votes went to;

- **Crew of the year**

Co-winners: u23 women Bilgola 'Rippers' and 200+ years Masters Men Bilgola 'Older'

- **Female rower of the year** - Lucy Knowles

- **Rower of the year** - Ben Gill

Not just competitive rowers, club members

What makes a club is the collective contribution of its members. The rowers, from masters to cadets and some ex and casual rowers as well, have made a strong contribution this season, which is appreciated and recognised by the club. So, on behalf of the club thank you to you all for your time and involvement.

Bilgola Carnival. The weather was crook, it was cold and windy, surf was up enough to make it uncomfortable but still you came to set-up, help run it and put away to make it a successful day.

Bilgola Ocean Swim. Great morning, perfect conditions for our crews to do water safety.

Thank you to all our rowers including a number of guest rowers who offered their time doing water safety.

Fund Raising. The Newport Market Day. Hectic and long, brought out non-rowers and rowers from other clubs to offer support to the Billy rowers and enable the club to raise a few needed dollars for which we are grateful.

Nothing like a celebration of life to bring a lot of ex-rowers down to the club.

Thank you to the rowers, both current and past, who so kindly and reverently took to sea in our three boats, raised the oars and spread the ashes of esteemed life member Anthony 'Rollo' Bland. And to his best mate, Life Member, Bickies Bartlett who, close being an Octogenarian, swept the boat and Rollo to sea. This will probably be the very last time Michel Bartlett sweeps a surf boat. Well done Bickies. Vale Rollo.

A funeral service was held at the surf club this season to farewell Richard Crayford, euphemistically referred to as 'Mr Bean,' who was a surf boat official for us for many years. Thank you and Vale Mr Bean.

Another gathering of many rowers from the 80s gathered at Billy this season to attend and spread the ashes of Warren Macdonald off his beloved Bilgola. Vale Wazza.

Here's to a bigger and more successful new summer season of surfboat rowing. May the surf be with you.

NIPPER'S REPORT

2017/2018 A Fantastic Season - perfect weather and kind surf conditions! This season witnessed the consolidation of the fantastic efforts of our age managers, cadet manager and trainers into making this a hugely successful year!

Beginning with SLSA's new requirement for Age Managers to undertake a course and their weekly commitment and enthusiasm in supporting, encouraging and educating one of our most valuable assets (our Kids!) their dedication is to be applauded. My sincere thanks to you all. Your efforts will remain pivotal in ensuring the development of our children into valuable members of the broader community and ours. The combined skills of good sportsmanship, teamwork, leadership, mentoring and sense of ownership are invaluable. The collective effort of our team ensures retention of these kids and guarantees the future of our club.

Thanks also to our skill specific coaches & trainers who have also put in many hours to ensure our kids get the best opportunity to perform.

Our Junior Activities Committee was a key factor in our success this year; thanks to each of you for your time and commitment throughout the year! Key achievements included:

- A revamp of our Nippers website including a highly successful video produced by Rowan Jacob.
- A targeted marketing campaign to primary and secondary schools in the upper North Shore saw an increase in overall registered numbers including cadet candidates whilst ensuring safe coverage and an enjoyable morning experience.
- Continued support for kids that wished to compete at carnivals, with representation at nine carnivals including Queenscliff, Newport, North Steyne, Dee Why, Narrabeen, and Collaroy; also Branch, State Carnivals and Nipper Nationals. Improvements in placings and finals representations.
- A major clean up of the equipment room with the kids adopting ownership for the cleaning and replacement of equipment after activities.

- Continued roll out of the new uniforms for all children. This was important from a safety perspective and certainly provided our juniors with their own club identity. A BIG thanks to Kath McKenzie for her dedication in the shop over the season and for passing the torch to two new volunteers. Also a BIG thanks to Rachel Brown for her continued support in purchasing.
- A highly successful focused SRC Program in its third year, with 14 from Nippers and a further 14 cadets through the hard work of Rob Chant and his team. Through the ongoing efforts of Peter Fenley, Isabelle Schmidt and new trainers it needs to be noted that this season saw 18 cadets successfully complete their Bronze Medallion and some of those go on to complete other courses such as IRB Crew.
- Highly successful Club Championships over three dates and a sensational Juniors Presentation Day.
- Special mention should also go to Pauline Wright, Kylie Ockwell, Louise Edgley, and Karen Perry for all their administrative support throughout the season. Their support is critical and very much appreciated in ensuring the season runs smoothly.

Under the guidance of Anna Hooper and Dave Madew, with the invaluable service of John Brogden and Rob Goodyear, this season saw the parents for each Age Group allocated a weekly BBQ duty to provide not only great food but to ensure a fair spread of this important and welcome source of funding for new nipper gear. Job well done!

I would encourage all members to continue to support our Juniors and become involved. I am extremely proud of our team and our community, especially considering all of the above is achieved by people volunteering their time. There is no club and no community without you, so thanks for your active contribution, understanding & support. You have all played your part and we look forward to welcoming you back onto the beach next year.

SURF EDUCATION

The emphasis of our Nipper program at Bilgola is that the kids have fun whilst learning basic water skills to assist them in being safe when on the beach and in the water. This ethos has been successfully merged with the requirement of SLSA that Nippers should follow an age specific curriculum. Our Age Managers continue to adopt this curriculum and ensure the Nippers meet the requirements, which enable the club to issue attainment certificates to each child enrolled at the end of the season.

The culmination of this is the Surf Rescue Certificate (SRC), under the direction of Rob Chant a squad of U14's participated in the necessary training over a twelve week period to attain this award. I am pleased to announce that the entire squad successfully passed which was a great result. This formally closes out their Nipper experience, as they now move into Cadets and join weekend patrols as active members.

Bronze squads – throughout the season under the watchful eye of Pete Fenley and Isabelle Schmidt, a number of Bronze squads containing Cadets and Nipper Parents were successful in attaining this award. This is a vital component of the club and ensures our ability to run the water activities each week in a safe environment. Congratulations to all that have achieved this award.

CADETS REPORT

This Season has been filled with some fantastic events and engaging initiatives for the Cadets.

It has been recognised that the Cadet age group (14 to 18) falls into a space that is in between the junior club and the senior club. With that in mind Rob Chant has introduced a programme directly aimed at engaging this age bracket to increase retention rates of Youth members once they have finished nippers by guidance to complete SRC and Bronze Medallion.

The Cadet Award Programme (CAP) is a points-based system to reward and give real incentive to Cadets to participate in club events and club service. Points are awarded for Participation with Club tasks / attendance / involvement with Club Events and other activities that benefit the club and its members. A cadet is classified as a registered member of age 14 to 18. It is Scaled system to reflect importance of event and effort required.

Main Objective of the programme: To build depth in the club membership. This is to be achieved by engaging Youth members in activities that allow them to use skilled learnt through training in both direct club activities and non-surf club specific activities. A highly important focus has been the mentoring of nipper members into the SRC award, followed by Bronze medallion and further SLS awards.

Activities this Season as part of the CAPS programme have included:

- The Board Boat and Ski Day at Sandy point
- Patrols at Wet N Wild water park
- Water Safety Billy Ocean swim
- Beach Patrols

This Season Cadets completed many SLS awards with points being awarded through the CAPs programme.

- SRC
- Bronze Medallion
- Advanced Resuscitation
- Senior First Aid
- IRB Crew

Special mention must be made to recognise the **fantastic efforts of the Cadet Management Team.**

The Skill and incredible passion from Rob Chant, Isabelle Schmidt, Rowan Jacobs, Rom Madew, Jean Walsh and Rob Farr has produced a strong cohesive cadet squad. Additional support constantly throughout the season from Peter Finlay and David Madew has been highly appreciated.

It is very satisfying to note that this great Youth programme (CAP) will continue to engage youth next season and further build depth in our club with the commitment of Richard Hardwick and the next season Cadet managers.

This Season has been extremely rewarding to see all Cadets mature into highly skilled surf lifesavers and wonderful ambassadors of our Club.

Josh Axford

Our existing SRCs from last season started early and tackled their Bronze Medallion course with complete enthusiasm to sail thru and achieve the Certificate, some have since gone on to do their IRB crewman course and become part of the ever growing Bronzies who have taken on this highly demanding activity within the club.

Also our existing Bronzies a big thank you for once again stepping up and taking on our Junior nippers in roles as Age managers and Assistants , these young kids hold you in high esteem as role models.

This season also saw 22 Nippers step-up into the ranks of Cadets upon successfully completing their SRC Assessment.

For these wonderful kids, most of whom have been with the club since the age of 5, it was a very proud moment for all concerned: the kids, their parents; their trainer; and their Age Managers. With their SRC's in-hand they were on-the-beach and on-patrol, taking on the responsibilities that are such a wonderful part of the Cadet program.

From water safety duties on Sunday morning with the Nipper kids; Age Assisting with specific groups of kids; and of course putting on their full Surf Life Saving uniforms and joining their new patrols to help keep our community safe.

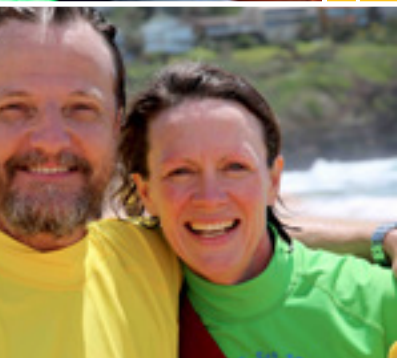

As a part of the season we also managed a couple of great 'away days'. The first was the Wet n Wild patrol morning, followed by a few hours of solid water sliding.

Later in the season we headed out on Pittwater in a bunch of double kayaks for a day on the water, lunch and a lot of fun.

These Cadets are now looking forward to doing their Bronze later this year and becoming the next generation of fully-fledged Life Savers to patrol Bilgola. Congratulations Class of 2018!

Special thanks to our trainers who without we would not have the Cadets we do today .
