74TH AGM

Notice is hereby given that the 74th Annual General Meeting of Bilgola Surf Life Saving Club Incorporated will be held at the clubhouse on Sunday 27th August 2023 at 11:00am.

AGENDA

1. Apologies
2. Welcome by the President
3. Acceptance of the Minutes of the 73rd Annual General Meeting held on the 28th August 2022
4. Presentation and adoption of the 74th Annual Report
5. Presentation, consideration and adoption of the Auditor's Report and Balance Sheet 2022-2023
6. Election of Life Members
7. Nomination of Patrons and appointment of Public Officer
8. Election of Office Bearers and Management Committee Members
9. Motion to continue affiliation with Sydney Northern Beaches Branch
10. Motions of which due notice has been given:
 - a. Alignment of financial year reporting to SLS Northern Beaches Branch
 - b. Appointment of Auditor for 2023-2024
11. General business of an urgent nature

Fees are now due and payable in accordance with the Club Constitution. In order to vote at the AGM you must be financial for the upcoming season, hold the Bronze Medallion or be a Life/Distinguished Service Member of Bilgola SLSC. Membership can be processed online or mailed to the club.

Ian Macdonald

MEMBERSHIP

Members can easily join and pay for their membership online.

Nippers

Registration for Nippers for the coming 2023/2024 season will be online and on nominated days at the clubhouse. A link on the Bilgola website will provide Nipper parents with all the necessary information required to register their child/children and be prepared for the season. It is Club policy that all Nipper members have at least one parent or guardian who is a Senior member of Bilgola Surf Lifesaving Club Inc. Applicable Senior membership categories include Active Senior, Active Reserve, Long Standing, Distinguished Service, Berger, Social Member, Nipper Parent (General), Associate Member and Life Member.

Bilgola SLSC uses an online membership registration, renewal and payment system:
members.sls.com.au

Bronze Medallion Fees

The training fee for new Bronze members is \$225 which covers their first 2 years of membership fees. This covers a 2-year membership, training manual, patrol uniform and cap. The fee is paid prior to training commencing. All under 18 years renewing members pay a registration fee of \$75 for all training which includes a 1-year membership (these people will already have their own uniform and training manual from SRC).

Club Membership Schedule of Fees 2023-2024

Renewals	Early Bird Fees (\$) On or before 30/9/2023	Fees (\$) After 30/9/2023
Cadet 14-15 yrs	70	75
Junior Active 16-17 yrs	70	75
Senior Active 18+ yrs (Bronze Holder)	85	90
Active Reserve (approved by Committee)	85	90
Long Standing (approved by Committee)	85	90
Distinguished Service (appointed by Committee)	85	90
Berger	75	85
Social Member	110	110
Nipper Parent	85	95
Associate Member (spouse of a full member)	50	50
Gym Key Deposit	30	30
Transferring Active Member (plus category fee)	10	10
Nipper: First Child (Under 6 - Under 14)	70	85
Additional Child	65	80

PRESIDENT'S REPORT

"Traditional patrolling" was the key term for Bilgola volunteer lifesavers during this past season. No more social distancing, just good old sunshine and clear water. Our members appreciated the return to standard patrolling and were as active as ever keeping our community safe on the beach.

Blackmores continued to support Bilgola with sponsorship of the annual "Blackmores Billy Swim" as well as a new endeavor with a Branch Nipper under 8's Carnival and Fun Day. Many accolades were passed onto to our Nipper community from visiting clubs (even some from Sydney Branch!) Congratulating Bilgola on this new initiative. Extra special thanks must go to Ernesto Calderon, Branch Director of Surf Sports for his direction and personal involvement to get this initiative off the ground. We look forward to holding it again next season.

Blackmore's "Billy" Swim was a great success with the most perfect day and many entrants enjoying the extra special conditions. It was a huge change from the last two seasons where we had to cancel due to poor weather and surf conditions – not to mention the tsunami warning! David Madew, Nikki Curtin and all our volunteer swim team ensured it was a fantastic day for everyone involved.

Our education group of trainers continued with their dedicated service of training our SRC group, Bronze Medallion, Advanced Resuscitation Certificate and IRB qualifications. Additionally, it is this group of volunteers which enables us to keep our continuing highly skilled patrolling members current, proficient and up to date. The Executive thanks all our trainers for their continuing efforts and welcomes members who have gained training qualifications during the season.

Our Nipper program was in full swing this year with our Nippers enjoying good weather and surf conditions. Even the water trampoline made it out the back! A first for several years.

Bilgola continues to see our youngest members developing their water skills and moving through the scheme towards their Surf Rescue Certificates. Many of our cadets moved onto gaining their Bronze medallion and full patrol duties.

The club still operates in its premises under a "letter of comfort" from Northern Beaches Council whilst the new 20-year lease is being finalized. New water metering has been installed separating the club premises from most of the Council operations resulting in the lease being expected to be signed in the very near future.

A solar array has now been installed on the club roof to assist in offsetting greenhouse emissions and reduce the significant cost of energy purchases. Our Nipper board storage along with the IRB service areas will also be upgraded to enable better use of available limited space whilst enabling additional equipment to be stored more efficiently. Preliminary work has commenced on this project.

Blackmores as our major sponsor has continued its valuable support during the season and its continuing support is greatly appreciated in assisting with the financial viability of the club. Channel 10, Harris Farm and Belle Property Avalon have also contributed significantly to our operations, and we thank them for their ongoing support.

Bilgola continues to support Surf Lifesaving Sydney Northern Beaches through continuing volunteer hours on RWC operator patrols, Duty Officers, Patrol Compliance, Support Operations, Judging, Facilitators and Assessors. It should always be remembered that these volunteers contribute these "Branch" hours over and above the hours that they dedicate to patrols on the beach. The continued support of SLSSNB Branch is very much appreciated and the club thanks the volunteer Executive and paid staff for their continued assistance and guidance.

Finally, Bilgola SLSC would not operate as efficiently as it does if it were not for the ancillary volunteers and paid staff. To all of them the Club graciously thanks them for their huge input towards the operations of the club.

Peter Fenley
President

DIRECTOR OF FINANCE'S REPORT

The executive committee continues to strive to maintain and enhance the club's facilities and equipment and cannot do so without the generous support of all our members, the community and local authorities during our various fund-raising events and club activities held throughout the year.

Thank you for your ongoing support.

FINANCIAL SUMMARY

This financial year was from the 1st July 2022 through to 30th June 2023. All comparisons below are in comparison with the previous financial year (FY22), which was a standard 12 months in length.

Revenues generated in FY23 were \$469,546 which is 145% the revenue achieved in FY22 (\$322,899). From the revenue earned the club has spent \$383,019 (FY22: \$288,410). The end of year result was a profit of \$86,527 (FY22: \$34,488, FY21: \$92,384, FY20: - \$3,258, FY19: \$57,186, FY18: \$40,768).

The retained earnings of the club was \$567,300 (FY22: \$480,773, FY21: \$446,284, FY20: \$353,901, FY19: \$357,159, FY18: \$299,973). The clubs cash position has increased again with cash deposits at the end of the financial year being \$381,577 (FY22: \$348,969, FY21: \$322,250, FY20: \$249,212, FY19: \$297,875, FY18: \$226,916).

INCOME

Without the continued support from our member's contributions, sponsors, donors and function activities we could not remain a financially viable club. Ongoing assistance and support is required to ensure we can continue to provide benefits to our members and the community.

Our revenue base for funding our expenditure primarily came from Bar and functions, membership subscriptions, sponsorship, grants and fund-raising activities such as the Bilgola swim. Revenue this year was \$469,546 which is 45% higher than FY22. The graphs on the opposite page show the comparison between FY23 and FY22.

Sponsorship and Donations

Our major sponsor Blackmores have continued their generous support providing funding for many upgrades to the clubs operational activities including the ongoing assistance to our Nippers program, beach safety

and clubhouse maintenance (\$40,000). Other sponsorship from Belle Property Avalon (\$15,000) and Doog (\$909) have also contributed. Ken Oxborrow also kindly donated \$700.

Bar and Functions

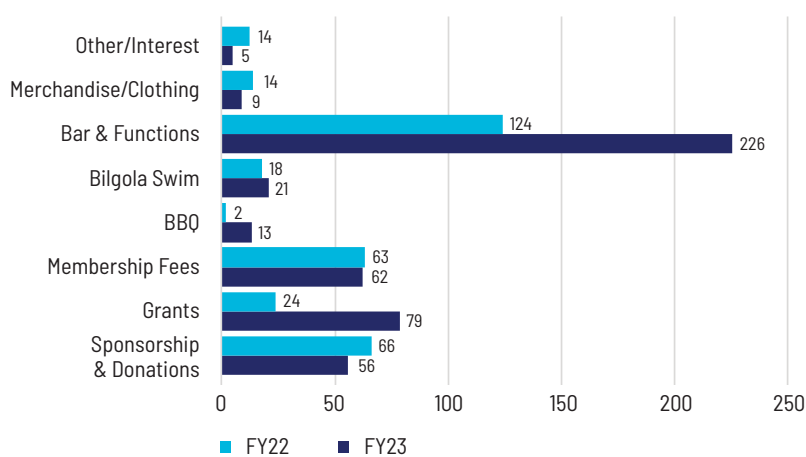

Bar and functions made up 48% of the revenue in FY23 which is 10% higher than last year and above our pre-Covid revenue (max 43% in FY19) from bars and functions. Noting a portion of this income is the payment for the bar staff which previously wasn't included in this category.

Grants

During FY23 a number of grants were received. These grants were received from organisations such as Northern Beaches Council (\$8,439), Surf Life Saving Australia BSEF (\$11,000), DSS for mannequin (\$3,238) and Office of Sport (\$23,393 for Solar panels and \$32,500 for IRB Storage grant).

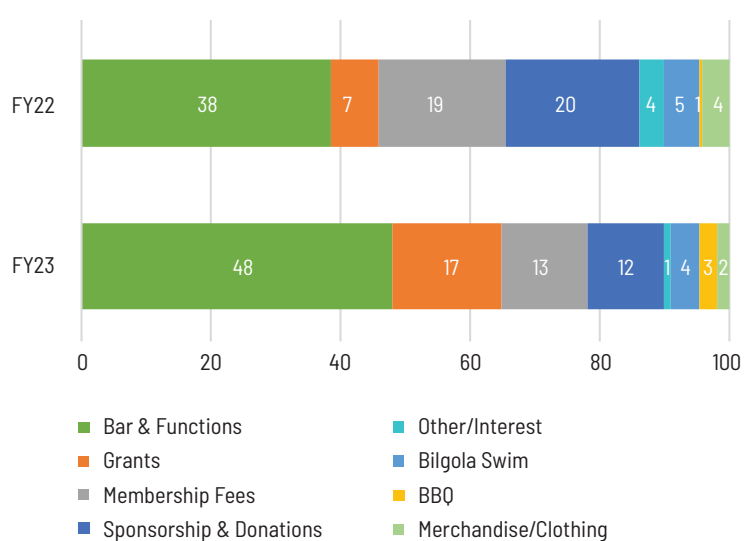

Core Revenue Streams

FY23/FY22 Comparison (\$'000)

Core Revenue Streams

FY23/FY22 (% of total)

Membership

Membership for patrolling members was free in FY23, so the revenue shown for Membership includes fees that members paid to take part in training as well as membership for all non-patrolling members. Annual membership fees are invaluable both for the club and members, giving members access to latest club facilities and equipment.

Bilgola Swim

Our major fundraising events, the Bilgola swim along with our regular Sunday sessions, sippers and nippers BBQ were once again well supported by our local community, businesses and members. The Bilgola swim was swum this year.

All these events are as important as each other in relieving the financial burden of funding the club's activities. The focus on events like the Sunday sessions not only contributes valuable revenue to the club it also assists in fostering a sense of community within the club and provides opportunities to grow our membership base.

DIRECTOR OF FINANCE'S REPORT (CONTINUED)

EXPENSES

Our primary goal as a surf lifesaving club is to keep our beach safe for all swimmers and those who visit our shores. It can be costly to maintain our equipment to such a high standard together with providing ongoing training for our members.

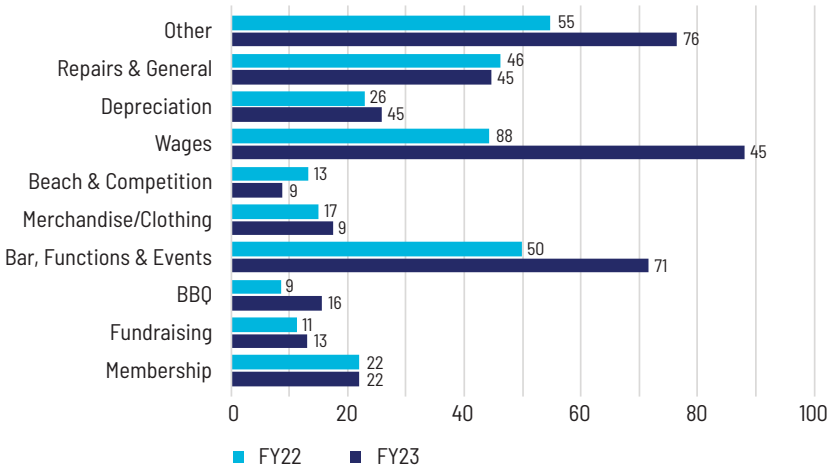

Our expenses for FY23 was \$383,019, which is 32% higher than FY22 (\$288,410). The graphs show expenditure comparison between FY23 and FY22.

Wages, Bar, Functions and Events

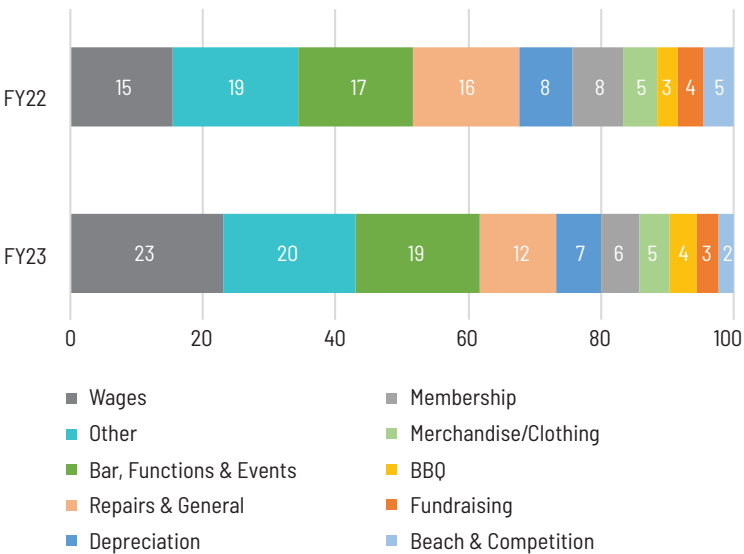

By far the biggest expenditure in FY23 was Wages, with Bar, Functions and Events following in 3rd place. Wages consisted of the Club Co-ordinator, which is a part time paid role as well as the Bar Manager and bar staff, which work as required for functions.

Total wages in FY23 were \$88,126 and increase of 98% from FY22 (\$44,340). The difference is due to the bar wages being paid with income from the functions instead of wages being paid directly from the function holder. Bar, functions and events costs included Costs of Sales and for FY23 were \$71,498, and increase of 43% from FY22.

Core Expenses
FY23/FY22 Comparison (\$'000)

Core Expenses
FY23/FY22 (% of total)

Repairs, Maintenance and General

The Repairs, Maintenance and General costs were \$44,642, a decrease of 3% from FY22. These costs include repairs and maintenance (\$22,767) and general costs (\$21,874) which is day to day costs to run the club and general maintenance to the clubhouse and equipment.

Other

Other expenses are the 2nd largest cost centre at \$76,369 in FY23, an increase of 40% from FY22. Other costs are shown in the graph below. The largest increase was Awards and Superannuation.

Merchandise/Clothing

Clothing and merchandise was another key area of expenditure for the club with \$17,495 spent in FY23, an increase of 16%. Whilst some of this expenditure generates revenues for the club through clothing sales not all purchases do as the club will often subsidise clothing for members that represent the club in competition or to club members and volunteers for events. Clothing expenditure is higher than clothing revenue generated in FY23 due to the fact a large amount of clothing stock needs to be purchased across multiple sizes. There is a healthy stock of remaining clothing and the difference between purchased and sold is minimal.

Membership

Membership costs in FY23 were \$21,892, which are very similar to the FY22 costs. These costs include SLS Northern Beaches Affiliation costs (\$110), SLSNSW Capitation (\$13,788) and SLS Northern Beaches Capitation (7,994).

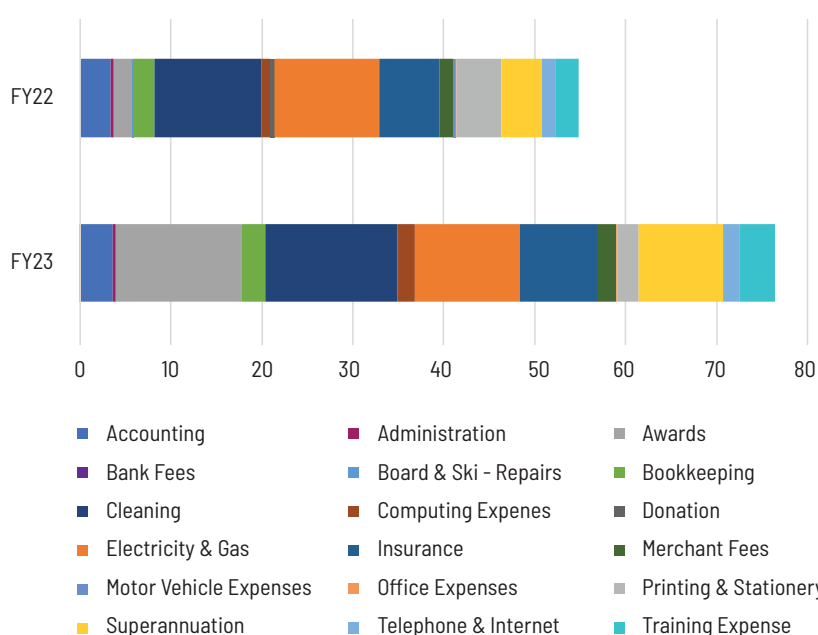

Beach

This year we spent \$8,688 on our beach operations which included IRB maintenance and medical costs. These costs are 34% lower than the FY22.

Capital expenditure

Plant and Equipment capital expenditure is not included in the operating expenditure graphs or tables shown above. This year the club spent \$15,905 on new boards and \$59,957 on club house improvements including solar panels, oven, caretaker apartment upgrades.

Other Expenses
FY23/FY22 (\$'000)

NEXT FINANCIAL YEAR

In order to have sufficient surf lifesaving training and equipment available to our members, their families and our community we will need to again invest in equipment in the coming financial year which will provide facilities for our members and the community to enjoy.

I would like to thank the Bilgola community for supporting this club and the dedication of the volunteer patrol members who are keeping our beaches safe.

Tracey Rock

Director of Finance

SPONSORSHIP REPORT

Time flies when you're having fun, and that certainly sums up the 2022/23 season at Bilgola Surf Life Saving Club! Was it just me or did everyone feel the season flew by?

With an even spread of sunny days and calm conditions, our little Nippers turned up in force, with solid numbers across all age groups especially our girls. Maybe it's our great colours or our gorgeous club house or simply the beauty of Bilgola Beach. Whatever it is, it's hard to beat a sunny summer Sunday at BSLSC, especially if you are a Nipper!

Of course, as with every year, our sincere thanks go out to our amazing sponsors. With a tightening economic climate, many sporting clubs over the past year have felt the pinch. With government funding also not flowing at the same rate as past years, many surf clubs have had to reconsider upgrading new equipment. We are extremely fortunate at BSLSC, where we have enjoyed continued financial support from all our sponsors especially the primary supporters of **Blackmores, Belle Property Avalon Beach** and **Network TEN**.

I say it every year, and hear it from our members, that we (BSLSC) are unique in having such high-quality sponsors. Without these sponsors, BSLSC would struggle to provide a safe beach environment and a quality surf club for everyone on the northern beaches to enjoy.

With the continual support of all our sponsors, especially **Blackmores, Network TEN** and **Belle Property Avalon Beach**, Bilgola SLSC benefits from much needed funding and moral support.

A highlight this season certainly was the annual **Blackmores Billy Swim**. A stunning January day with a huge turnout of ocean swimmers of all ages, took part in this great event. New sponsors **Pure Pops** provided amazing healthy ice creams for all competitors and their families and **Harris Farm Mona Vale** provided a beautiful array of fresh fruit.

In addition to **Blackmores** the company, vital ongoing financial assistance continues to be provided to BSLSC by Blackmores Chairman and local, Marcus Blackmore and his wife Caroline, through their philanthropic trust, the **Blackmores Foundation**. This commitment helps further ensure the wellbeing of our club into the future.

We are also very proud of many other local businesses who assisted BSLSC with prizes for our Nippers and competitors throughout the season. These sponsors include:

Adrenalin – At Home Grown Brands for the generous prizes during the season especially The Billy Swim.

Avalon Meats – Helping us provide a tasty sanger for our nippers.

Amber Waves Bakery – Wrap the best snags in the best bread!

Harris Farm Mona Vale – Their amazing quality fruits for our nippers and competitors

United Resource Management (URM) – Generous support via their free rubbish removal service

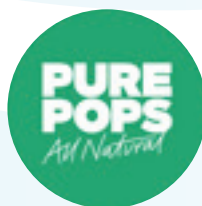

I look forward to the start of another exciting season soon. On behalf of all of us on the BSLSC committee, thank you to all our sponsors and the many, many people who volunteer every week at the best surf club on the northern beaches!

Jonathan Papworth
Sponsorship Officer

THANK YOU

BLACKMORES BILLY SWIM

At last! After years of big surf, COVID, floods, rain – even a tsunami warning – we finally got to put on a dream Swim! And what a day it was – if you had to dial up a perfect January day, this was the one. Blue skies, moderate seas, a picture-perfect day.

Of course, just because you have the day doesn't make the event – to that end I must pay tribute to all of the Bilgola personnel who stepped up to make the day as good as it was.

Firstly, my Assistant Swim Director Nicci Curtin and ESO Steve Faddy. Both were the reason that the event even went ahead – Steve is the Go/No Go man, effectively deciding whether people can swim or not, taking into account wind, waves... Nicci is even more 'in the background' – but anything that I stuff up, she makes right – and

makes it look good. Bill Hawkins, our IRB Coordinator, not only sets up the buoys, but puts them in the right spot at the right time – one swimmer came out of the water and said that his watch tracker indicated 1550m – but he ascribed the extra 50m to him wandering around the buoys.

Jono Papworth, the best Sponsorship Manager on the Northern Beaches, always conjures something out of nothing – and he didn't disappoint! Prizes for winners, frozen fruit pops for all participants, you name it, he got it.

Then of course we have our volunteer lifesavers – never failing to turn up to take any role that helps the club and the swim – I can't thank all of you enough – the Swim epitomises the quality of our volunteer Bilgola lifesavers.

To list the winners of the various groups in the various swims would be extraneous – over 96% of participants rated our Swim as a great day out, with the same number assuring us that they would be back next year – a great endorsement.

From our online survey a range of comments included:

Well organised but also relaxed and fun - nice job everyone!

Great natural setting and well organised.

I like the relaxed atmosphere, not hyper-competitive.

I liked the feel of a local boutique event. Very well organised, great water safety, great all round, well done.

My first visit to Bilgola Beach! Beautiful conditions.

Loved the cheery encouragement and congratulations shouted by the water safety crew as we finished. Thanks to all involved!

It's a beautiful swim or swims on a really beautiful beach. Very well run by nice people.

These comments – and suggestions made on how we can improve subsequent Swims – are the reasons that we keep trying to put on a better and better Swims each time.

Thank you to the Bilgola committee for supporting the Swim. This is my last year as the Bilgola Swim Director – Nicci Curtin will do a great job next season as S.D. and I look forward to being one of the volunteers to welcome swimmers to our beach in season 2024 and beyond.

David Madew
Swim Director

DIRECTOR OF LIFESAVING'S REPORT

Patrol season 2022-2023 was marked by strong membership retention, remarkable achievements in training, community engagement during emergency situations, and a high level of dedication to beach safety and support. The following provides an overview of the key highlights and activities that took place during the season.

Throughout the patrol season, Bilgola continued to thrive with a consistently strong membership base. This vitality was further enhanced by the impressive achievements of several new Bronze groups who successfully obtained their Bronze Medallion award. These dedicated individuals underwent rigorous training, which encompassed essential lifesaving skills, first aid techniques, and beach safety protocols. The integration of these new members into the patrol teams not only bolstered the club's capacity but also injected a fresh enthusiasm and energy into the existing membership base.

EMERGENCY CALLOUT

A unique aspect of the patrol season was the club's involvement in assisting remote flood-impacted areas in close partnership with the SES, RFS and other Emergency agencies. Bilgola Emergency Callout was tasked to provide support to the Liverpool, Penrith and Camden areas where Bill Hawkins and Zac Cracknell responded. We also responded to the severely affected flood region of Nyngan, regional Western NSW, so flood impacted it was accessible only by plane and helicopter.

This experience was both humbling and eye-opening, as club member and Emergency Callout Crew member, Craig Poppleton, 'Poppo' witnessed the vast expanses of water-covered land. These outreaches demonstrated the versatility and readiness of Bilgola to respond to unexpected challenges beyond the shoreline, reinforcing our commitment to safeguarding lives in all circumstances. Our full Emergency Callout Crew is made up of a mix of patrollers. I wish to acknowledge the entire 22-23 callout crew made up of the following members: Lucy Brogden,

Dave Burton, Zac Cracknell, Josh Farr, Peter Fenley, Emanuel Freer, Andrew Gough, Bill Hawkins, Dave Madew, Romilly Madew, Rachael Peet, Craig Poppleton, Ray Trevisan, Jarrah Turner and myself.

MATESHIP ON SHOW

The spirit of camaraderie and mateship shone brightly during the Bronze Medallion assessments. The process of achieving this prestigious qualification is known to be challenging, both physically and mentally. However, the 22-23 patrol season demonstrated the remarkable unity and mutual support at Bilgola. Seasoned members willingly shared their knowledge and experience with the newcomers, ensuring that each individual had the best chance to succeed. This collaborative atmosphere not only elevated the overall success rate but also solidified the bonds of friendship and trust among club members.

SYDNEY NORTHERN BEACHES BRANCH

A noteworthy aspect of this patrol season was the expanded involvement of Bilgola members in branch operations. The commitment and dedication of club members was reflected in their willingness to take on crucial roles such as Duty Officers, Trainers, RWC Operators, and Emergency Services Officers. These extended duties highlighted the club's commitment to contributing beyond its immediate responsibilities. By engaging with broader operational aspects of surf lifesaving, Bilgola members demonstrated their dedication to enhancing safety measures and community well-being throughout the Northern Beaches region.

SAFETY FIRST AND ALWAYS

The remarkable achievement of maintaining a low level of incidents during the patrol season can be attributed to the vigilance, dedication, and preparedness of our patrol crews. Each Patrol was consistently proactive in identifying potential risks and hazards, ensuring that preventative measures were implemented promptly.

The professionalism and quick response of the patrol members minimised the occurrence of incidents and provided a safe environment for beachgoers and the general public. This accomplishment underscored the effectiveness of Bilgola's adherence to training protocols and commitment to safety.

YOU SUPPORTED THEM!

The dedication of patrolling members extends beyond the shoreline, often requiring them to spend long hours away from home. Behind these committed individuals stand their families and friends, who provide the understanding and encouragement needed to carry out their lifesaving responsibilities.

Whether it's parents who patiently wait for their children to return from a patrol, or partners who provide unwavering support, these family members and friends are the backbone of the club's success. The support network's sacrifices often go unnoticed but are deeply appreciated by the entire club. Their commitment to facilitating the club's operations is a testament to the shared values of service and community. Thank you.

DIRECTOR OF LIFESAVING'S REPORT (CONTINUED)

PATROL CAPTAIN OF THE YEAR

Congratulations Steve Faddy of Patrol 10. Being Patrol Captain and having a full crew available can be a handful at times. It takes effort to build up to a full contingent of award holders in order to meet our Lifesaving Agreement. Steve has persevered and seen Patrol 10 increase its crew numbers by attracting new members to be part of something special. Well done on sticking with it and we look forward to a few more additions next season.

TOP TEN PATROLLERS

Each year the club recognises our top five female and top five male patrollers based on their recorded hours of service throughout the season. The contribution from all our members is tallied at the conclusion of the season and we celebrate those who have provided that extra time to providing a safe environment for public water safety. Congratulations to our top 5 female and male recipients.

Haidee Underwood

Nadine Cran

Mignon Bultler

Romily Madew

Abigail Owler

David Madew

Greg Franks

Greg Woods

Peter Fenley

Geoff Raper

PATROL OF THE YEAR

Patrol of the year is awarded to members of Patrol 10. Building on the above award, Steve and his crew have worked seamlessly to instil a culture of support and commitment. In fact, his crew received multiple awards this season for their efforts and commitment throughout season 22-23, adding new members and going above and beyond. Congratulations to you all.

Steve Faddy, Ian MacDonald, Nicola Curtin, Simon Eggleton, Ray Trevisan, Oliver Drew, Sam Freer, Lachlan Jones, Chester Shahill, Keisha Tickle, Haidee Underwood, Damien Underwood

ANZAC DAY MEMORIAL AND PATROL MARCH PAST 2023

In 2023, we were thrilled to continue the cherished Bilgola tradition that started in 2021, marking the end of another solid patrolling season with a poignant Surf Lifesaving March Past. This tradition holds even greater significance as we gathered to honour ANZAC Day, paying our deepest respects to the brave individuals who lost their lives in military and peacekeeping operations involving Australia. What began as a one-off event in 2021 has evolved into a meaningful annual ritual, and we invite you to be a part of it at the conclusion of the 2023-2024 season.

Once again, Patrol 2 excelled in delivering a seamless and impeccably executed March Past, under the guidance of Steve Broughton-Rouse. The readings, thoughtfully delivered by Club President Peter Fenley, were accompanied by the stirring notes of a trumpet played by Anthony Heinrichs, a local resident and a member of the esteemed Sydney Symphony Orchestra.

THANKS

Bilgola's patrol season of 22-23 stood as a testament to its core values of training, community service, and safety. The season was marked by the emergence of many new talented members, the club's capacity to adapt to unforeseen challenges, the unwavering spirit of unity, the willingness to extend its responsibilities, the commitment to safety, and the dedication to community engagement. These collective efforts ensured that Bilgola continued to thrive as a cornerstone of safety, support, and community.

I'd like to express sincere thanks to the hardworking committee members in our club. Their behind-the-scenes dedication towards a common goal is truly unique and inspiring. It's a privilege to work with people who are genuinely here for the right reasons, making our roles even more special.

A big shout-out goes to everyone who responds to our SMS calls for help. Your willingness to step in for extra patrols, fill in for others, assist at events like the Boat Carnival or the Billy Swim, and ensure water safety is greatly appreciated. Your time and commitment doesn't go unnoticed, and we're truly grateful for your contributions. I look forward to seeing you again on the sand.

Adrian Wegrzyn
Director of Lifesaving

CHIEF TRAINING OFFICER'S REPORT

This season has seen the biggest increase in Training Officer's available to undertake training in Surf Rescue Certificate, Bronze Medallion, IRB Driver and IRB Crew. Welcome Michael O'Sullivan, Kirsty Allen and Greg Woods as our newest members.

These folk along with Emanuel Freer, Rowan Jacob and David Madew create a formidable wealth of experience and knowledge to be passed onto future trainees. Thanks must be given to all of you for your invaluable contribution this season. Also, thanks must be given to Craig Poppleton and Geoff Raper for their continuing contributions to the training programmes.

We have successfully run one SRC and two Bronze courses along with both IRBD, IRBC, Provide First Aid and Advanced Resuscitation Certificate (both new awards and upgrades).

The trainees participating in this training enable patrols to be up skilled where necessary as well as providing a wider skills base within the patrol personnel.

Continued upgrading of skills of current patrollers is always a major objective and this is particularly significant in the forthcoming season as all Advanced Resuscitation Certificate holders must upgrade their qualifications by calendar year end 2023 as well as obtaining the prerequisite upgraded Provide First Aid.

The club has been successful in obtaining a Community Volunteer Grant

via Sophie Scamps MHR for Mackellar's Office to enable the purchase of a catastrophic bleeding training mannequin required for the upgraded Provide First Aid and Advanced Resuscitation Certificate.

All members are encouraged to take advantage of the free training that is available to enable upskilling benefits for themselves and their patrol. Email club.training@bilgolaslc.org.au your interest and we'll get you sorted.

2022/23 BILGOLA AWARDS

IRB CAPTAIN'S REPORT

THE STORY SO FAR... since attending the inaugural ALBERT course in late season 2021-22, we have wanted to produce an ALBERT-lite training course, picking the best out of the activities and present these to Bilgola's IRB drivers and crew, in some pre-season weekends.

In late August and early September 2022, the majority of the IRB personnel spent a morning leaping in and out of IRBs, trying new ways to get into boats, ways of getting patients into the IRB and various other rescue techniques. We were really thrilled with the response and in the future we will continue to put these preseason courses on to get our Ds and C into the groove.

We started a new course of IRB training in mid-October – I must credit our training team at the club – Marc Bernard, Greg Woods and Jarrah Turner – who front up every cycle and do so with cheer and insight (and an expectation of being able to drive the boats fast!) and to the training group who, despite being thrown out, run over, cold seas, big surf, roll overs, early starts – did I mention roll overs? – persisted and became members of the exclusive club of the IRBs. Cal Archibald, Nadine Cran, Karen Hegarty, Luca Parsanejad, Matt Harris, Noah Smith, Andrew Gough and Jack Farrell all made it through everything that we threw at them and immediately joined their patrols with a greater commitment to surf lifesaving at Bilgola Beach.

I foisted a second IRB course to our long-suffering training team in March and April of this year, where we gathered up newly-minted Bronzies who wanted to continue to get up and come at insanely early times on Sunday mornings. Congratulations to Cal Archibald and Tony Nelson, who became Drivers and Haidee Underwood, Hannah McDaniel, Georgia Koulouris, Jayden Dahdah and Keisha Tickle who became Crew.

Training courses did not end there. In early May, ALBERT offered a weekend course of advanced driving and crewing at Dee Why. We had more

personnel from Bilgola than any other club, with Drivers Greg Woods and Emmanuel Freer and Crew Keisha Tickle, Haidee Underwood, Nadine Cran and Karen Hegarty going to the course – the added bonus was that Greg Woods has become an ALBERT Trainer – an honour that should be noted and celebrated – the ALBERT course and the personnel that train it are regarded as the best in IRBs, not just in driving and crewing but the thinking of and the approach to rescuing people in distress. To paraphrase Bilgola Life Member Craig Poppleton “We are rescuing people on the worst day of their lives – it soon becomes the best day of their life.” Congratulation Greg!

Equipment-wise, we have been fortunate in having the Senior Committee support the IRBs with new equipment and lifesaving gear. New PFDs came our way at the beginning of the season, particularly Small and Medium lifejackets, which reflect an injection of younger and female personnel into our ranks. Additionally, the untimely expiration of two motors put pressure on our resources, however the committee came through with funding for a new motor immediately, which has been put into action in the first week of it arriving – you can’t say that we don’t get value for money! Additionally, we have adopted an outboard motor cleaning system that minimises fresh water use, a win for everyone!

The 2022-23 patrol season ran very smoothly from an IRB POV with a number of rescues having to be made, but each successfully completed. We would prefer to not have to do these rescues by using preventative rescue practices, but it is always good to know that we have a very big net to catch anything that slips through.

Many Ds and C went over and above their allocated patrol hours by volunteering for SNB IRB responsibilities, including water safety on other clubs’ ocean swims, paddling competitions and various other activities that Northern Beaches residents get up to. Additionally, we have been active in getting Bilgola IRB Drivers to step up to the SNB RWC ranks – at this point we have Geoff Raper, Marc Bernard, Craig Poppleton, Steve Faddy, Ricky Rogers, Jarrah Turner and (hopefully, by the time that you read this) Emmanuel Freer in their ranks – for the size of our club, probably the best representation on the Northern Beaches. We have some dynamic and promising crew and drivers coming through our ranks that will, in the future, join this cohort, as well as our training squad, indeed, the whole of the IRB group – roll on the next few years!

To that point, like Dame Nellie Melba, I have threatened to leave only to rush back with a case of severe youllmissmewhenI’mgone-ism – but all things must come to an end and this is my time to finish as IRB Captain. It has been an honour and a privilege to be the leader of the IRBs in this Club – I have enjoyed every minute of the role and wish my successor the best – may your motors start first time, don’t stop when that wave is breaking on top of you and – a word of advice – always cleanup after a rollover – because you’re all going to rollover sooner or later! Thank you from the bottom of my heart.

See you on the beach.

David Madew

IRB Officer

LICENSEE & FUNCTIONS REPORT

18 Weddings, 17 Birthdays, 12 Memorials,
11 Sunday Sippers, 4 Night Nippers, 3 charity events,
2 presentation nights, 2 kids movie nights and a Rave.
What a year it's been at the Bilgola Beach Bar.

Our team have been very busy this year. We have opened our club doors to over 70 events with all profits going directly back into the club.

With this extra hive of activity, we appointed Owen Heywood as Functions and Bar Coordinator. He has been very busy shopping, cleaning, stacking, serving, turning beer on, turning beer off and most importantly keeping even the fussiest of brides happy on their big day. A magnificent effort from OJ. He is at the club most days making sure everything run perfectly. A massive thanks.

Another notable mention goes to another long-standing member Pauline

Wright. She has stepped in this year to help arrange functions, book staff and has done her fair share of shopping, stacking, cleaning and serving. A huge heart felt thank you goes out to Pauline.

It is certainly a team effort successfully hosting over 70 events at the Bilgola Beach Bar. However, we don't see it as a chore, rather a privilege to be apart of a great team and apart of a great club. We are lucky we get to hear all the compliments from patrons on how great our surf club is. This is a credit to the whole club. The comradery, humour and hard work of our awesome bar staff team definitely makes Bilgola Beach Bar a great place to be. Thank you, Simon, OJ, Bruce, Pauline Tiana, and

Cooper our regular workers for all you do for Bilgola.

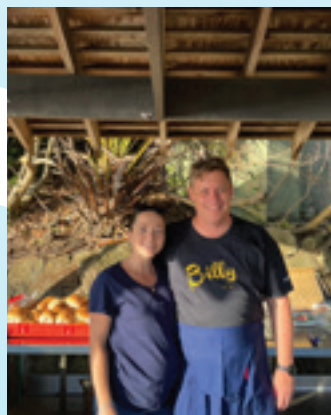

We have all worked hard to maintain our great reputation as being the best Surf Club Bar in the area as well as striving to be a first-class wedding and function venue. Bilgola Beach Bar has also remained a firm favorite for live music in the Northern Beaches. There literally is no better place to work then at the best bar on the best beach - Bilgola.

Simon and I have enjoyed working alongside our great team and look forward to another successful year.

Jean Walsh

NIPPER'S REPORT

After the challenges of the previous year this season started with a sense that things were on the up, with the shadow of La Nina still present. It ended up as one of the best seasons on record. The combination of weather and surf conditions resulted in a fantastic season - with all age groups able to fully explore the beach and surroundings.

We hosted an U8's carnival for the first time which gave younger Nippers a chance to experience inter club events in a fun environment. This was a major undertaking which took a team of people to run. A big thankyou to Mark Parsons, Claire Reading, Conrad Grayson, and Matt Evan's in particular who helped with setup and running.

The event was a major success with competitors coming from all over Sydney and will be back next year on January 27th next year.

Capping things off U13s Grace Tabisz was awarded Female Nipper of the year for Northern Beaches. Grace embodies what Nippers at our club is all about, the development of foundational life saving skills and contribution to our local community. We are very happy for and proud of Grace. A very deserved award.

EDUCATION

The primary aim of the Nipper program is to provide children with basic surf skills and a pathway to becoming qualified lifesavers and junior competitors. A large part of this is the age specific curriculum which has been operational since 2010 and was updated this year. The updates along with the Bilgola specific coastal education program developed by age managers in previous seasons were delivered to age managers this season.

Midweek sand and water training sessions were again available for Nippers. Thanks to Karen Perry and our trainers Zoe & Tianna Couzens for running the sand sessions. Thanks to Emanuel Freer, John Coleman, Scott Machar, Nadine Cran, and Karen Hegarty for helping with midweek water sessions.

Delivering the education program, supporting and ensuring the kids have fun at the same time, while managing a constantly changing beach environment is no easy task. Once again our team of Age Managers & Assistants, water safety and Cadets did a fantastic job - often under challenging conditions. Thank you all!

The SRC (Surf Rescue Certificate) programme was led by yours truly this year under the guidance of Peter Fenley. With one of the largest groups in recent seasons it took a lot of help from a committed team of people to deliver the course. A very big thank you to John Coleman, Kevin Murray, Ben Drew, Nadine Cran, Scott Machar, Karen Hegarty, and Emanuel Freer. It was a lot of fun delivering this program with you.

On a personal note, having been an age manager for a lot of this group since U6s it was a very proud moment to see them pass their proficiencies and become junior life savers. It was the culmination of nine years on the beach - that passed very quickly. We look forward to seeing this group on the beach as water safety at Nippers and on patrol next season.

CLUB CHAMPIONSHIPS

With the fine weather and ocean conditions this season completing three club championship rounds was a much easier task this year. Thanks to Karen Perry for again coordinating activities, tallying points across 12 age groups, and organising awards.

A lot of work goes on behind the scenes to make club championships happen. Thanks to the Junior Committee, our wonderful Age Managers & assistants, water safety Cadets, and parents who made it possible.

COMPETITION & CARNIVALS

Following on from the work Karen Perry has done in previous years with our competition program we had 15 competitors throughout the season with representation from U10s to U13s, mainly girls.

Sand/Beach was the favoured competitive vocation in carnivals though some still competed in the water events at earlier carnivals.

Our beach/water training sessions were well attended by most and owe our many thanks to the trainers/helpers through these sessions.

In particular:

Beach - Zoe & Tianna Couzens - Our State Beach Winners/finalists from past seasons.

Water - Michael O'Sullivan, Scott Machar, Nadine Cran and Karen Hegarty.

NIPPER'S REPORT (CONTINUED)

A few achievements of particular note:

U10s – Frankie Boulter. Gleaning a gold medal and top 6 finishes throughout the season in (Flags/ Sprint) together with her Club champs results – culminating in claiming Outstanding Junior of the Year.

U11s – Cora Heath, Sophie Spencer, Hannah Erskine, and Maddie Gough making some great results in the beach events and water over the season. Congratulations.

U12s – Juliette Liell. Suffering a shoulder injury competed in some sand events, over her usual water, and Lyla Rosser, ever keen and gleaning some great results.

U13s – Chloe Cagney, Mica Spencer, and Chloe Erskine taking on water and sand events and holding their strides.

The outstanding Senior Award was shared by Micca Spencer and Cora Heath for points accumulated in Carnival competition (attendance and finals/top 6 places achieved) and Club champ placings.

Moreover, we were so excited to be represented by the following at State level:

Frankie Boulter (U10), Cora Heath, Sophie Spencer, Maddie Gough (U11), and Micca Spencer & Chloe Cagney (U13) at beach events.

Cora Heath had an outstanding 6th in Flags Final at this event. Huge congratulations. We had 2 in the top 10 for flags for the state, Frankie with 9th. Amazing!

We have some great spirit and talent amongst our current competitors and look forward to honing their skills for the new season.

FUNDRAISING & SPONSORSHIP

The BBQ is the primary means of raising funds for Nippers and Matt Evans continued as head chef behind the hot plate this season. His world famous special sauce had the steak sandwiches walking out the door at our first twilight Nippers BBQ. Avalon Village Meats again provided discounted produce for the BBQ and our famous Spit Roasts.

Our major sponsors Blackmores, Channel 10, and Belle Property continued their generous support of the club along with local business Honest Chicken at Newport who provided weekly awards and vouchers for Nippers and discounts on our event catering. Local business DOOG (Dog Owners Outdoor Gear) also continued their sponsorship.

We welcomed a new sponsor – Bilgola IGA – who provided drinks for the BBQ at Nippers.

A big thank you to all of our sponsors – we couldn't do it without you!

OPERATIONS

The season began on October the 9th with proficiencies – this year at the Warringah Aquatic centre due to the need for a deeper pool to cater for extended proficiency activities.

If you arrived on the beach early on any given Sunday you would probably have seen Kate Black & Andrew McWhinney putting out equipment and setting up courses before the Nipper sessions.

Sanjay Gnanadickham led the water safety team with support from Jamie DeUriate, Kirsty Allen, John Coleman and our Cadets. Without this team

our Nippers would not enter the water.

Sanjay and Claire Reading also stepped in to fill a gap in the uniform shop this year.

Finally I'd like to say a special thanks to Kate Black and Karen Perry – winners of this year's chairman's award. Kate has been an age manager since U6s thru to the U13 girls this year. During that time she has been a constant contributor to Nippers, arriving early to help set up the beach, helping on the BBQ before Nippers, and generally being the first person to put up their hand to help when needed.

Karen has been contributing at Nippers for just as long. As my predecessor she oversaw Nippers for four years, creating the foundations for the team we have today. She has been a great support to me over the last 2 years and has continued to coordinate competition, both externally for inter club carnivals and internally at the club.

It takes a lot of work from a team of people to make Nippers happen. To the age managers, assistants, and Cadets Thank you. Delivering the Nipper programme, keeping Nippers safe in the water, and providing this opportunity to our kids takes a large commitment.

To the junior committee, thank you again for your help and support – it is deeply appreciated. We can all look back on a fabulous season and start counting down to the start of a new one with a sense of excitement.

Michael O'Sullivan

SRC/CADET REPORT

SRC 2022 GROUP

by John Coleman

SRC Training commenced, for Michael O'Sullivan's combined boy and girls group, from the start of the season. Thereafter followed 14 weeks of training on Sunday mornings, and as we came up to assessment, mid-week pizza fuelled evening trainings on Mondays and Thursdays. Three weeks out from assessment, just before a training session, our young SRC candidates got to witness their first rescue. A couple got into trouble 50m outside the flags in a rip. All of the SRC candidates wanted to jump in and rescue them, however, thankfully they were able to leave the rescuing to our patrolling members.

The patrol launched two boards to assist the couple and once the IRB was launched, they picked up the female and the male was brought in on one of the boards. Both patients were very happy the patrol was on hand to get them out of the water before they got into real trouble. Geoff Raper, who drove the IRB, kindly debriefed our enthusiastic SRC candidates post rescue. A great learning experience.

Assessment day, Saturday the 4th of February, was a beautiful summer's day but with challenging surf conditions, which made the run-swim-run and board rescues particularly challenging. This didn't phase our 24 candidates who all passed with flying colours. Gaining their SRC award is a fantastic achievement and marks their transition from Nippers to patrolling duties for these young lifesavers.

Thank you to Michael O'Sullivan who was their trainer overseen by Peter Fenley and was also helped out by guest trainers Emanuel Freer and Kirsty Allen. Huge thank you goes out to the parents for helping with training and water safety including Nadine Cran, Karen Hegarty, Kev Murray, Ben Drew, Scott Machar, John Coleman and Poune Parsanejad.

Special shout out for Peter Dahdah who took the most photos and videos of these training sessions and even decided to do his bronze medallion, after his daughter had obtained her SRC, well done Peter.

As reward for all their hard work becoming junior lifesavers our SRC candidates got to go on a camping trip for 2 nights at the end of April. Big thank you again to Michael O'Sullivan who made it all happen.

SRC 2021 CADETS - WATER SAFETY

by Jamie de Uriarte

Following successful completion of their SRC assessment towards the end of last season, our cadets were anxious to kick off a new season and put their newly acquired skills to good use. For most of the season they were rewarded with plenty of sunshine and near perfect water conditions, which led to a strong weekly turnout for assigned patrols and Sunday water safety. Many of our cadets couldn't wait to jump on the boards each week to follow the older nipper groups out as far as they could go.

Some of our cadets stuck to the shallower waters with their rescue tubes, ready to assist swimmers in their return to shore. Others were dedicated to assisting the younger groups in the pool and shallow surf, gradually helping them to improve their confidence and surf awareness each week. And of course, our cadets were always eager to help serve salads and carved meats at our club BBQs. It was great to see the cadets continue to progress throughout the season, many of whom are sure to take the next step towards earning their Bronze medallions very soon.

Special mention here for Sanjay Gnanadickam who was Bilgola's water safety supervisor during our nipper sessions again. Thanks for all your hard work, Sanjay.

SRC 2020 CADETS

by Kirsty Allen

The U16 Cadets group have had a fantastic season. They have continued to attend patrols, help with nippers and water safety for events such as the Billy's swim. Thank you to Georgia Koulouris and Cameron Finlayson for being assistant age managers for the U7 girls and boys groups.

Many braved the cold Spring water passing the Bronze Medallion early December. Congratulations to Brad Manns, Cameron Finlayson, Georgia Koulouris, Haidee Underwood, Hannah McDaniel, Keisha Tickle, Lachlan Dickinson, Sophia Lockhart and Sophie Oneill who are now fully qualified surf life savers! In the second half of the season Georgia, Haidee, Hannah and Keisha signed up for the IRB crew, becoming Billy's largest group of women to be certified at the same time.

CADET AWARDS

This particular cohort of cadets went above and beyond this season and the Juniors Committee were unanimous in their approval of their nomination. Our Cadet Awards for Outstanding Contribution to Nippers this season went to Hugo Feek, Gabriel Kountouris, Lois Pattman and Abi Owler.

This season our cadets (13-15 years) logged nearly 1,000 hours of patrolling and water safety and our top 5 patrolling cadets were:

- | | |
|------------------------|------|
| 1. Haidee Underwood | 69 |
| 2. Abigail Owler | 51 |
| 3. Brianna Dahdah | 47.5 |
| 4. Annmarie de Uriarte | 46 |
| 5. Georgia Koulouris | 46 |

Well done girls! You're doing our club proud. Special mention here for Brianna, who only got her SRC in the New Year so she clocked up all her hours in only half a season! She'll be one to watch for next season. Well done, Brianna!!

John Coleman
